STATE OF GEORGIA

STEVEN SCHRECK,

Plaintiff,

v.

BROOKS COUNTY,

Defendant.

CIVIL ACTION NO. 23-CV-00067

MOTION AND SUPPORTING MEMORANDUM OF LAW FOR FINAL APPROVAL OF CLASS ACTION SETTLEMENT

Pursuant to O.C.G.A. § 9-11-23, Plaintiff Steven Schreck (the "Named Plaintiff"), individually and on behalf of all other persons similarly situated (hereinafter "Plaintiffs"), by and through the undersigned attorneys as identified below, file this Motion and Supporting Memorandum of Law seeking final approval of the parties' settlement on the grounds that the settlement or resolution as set forth in the Settlement Agreement (the "Settlement Agreement") is fair, adequate, and reasonable and that all relevant factors weigh in favor of final approval.[1] In support of this Motion, the Parties show the Court as follows:

I. OVERVIEW OF THE LAWSUIT AND PROPOSED RESOLUTION

A. Factual and Procedural Background

Named Plaintiff filed this class action lawsuit (the "Lawsuit") on March 15, 2023, on behalf of itself and all taxpayers similarly situated who were assessed and paid certain fees from 2018 to present. *See* Affidavit of James L. Roberts, IV ("Roberts Aff.") attached hereto as **Exhibit "B"** at

[1] A copy of the Settlement Agreement is attached hereto as **Exhibit "A"**.

¶11. Specifically, this Lawsuit seeks a refund under O.C.G.A. § 48-5-380 (the "Refund Statute") for all fees illegally assessed and collected for fire protection services (the "Fire Fee") as purportedly authorized under the Brooks County Ordinance Regulating the Assessment of Fees for the Fire Protection Service in Brooks County (the "Fire Fee Ordinance"). A true and correct copy of the certified Fire Fee Ordinance is attached hereto as **Exhibit "C"**.

The County filed a Verified Answer to the Complaint on June 28, 2023. *See* Ex. B, Roberts Aff. at ¶12. A few months before, on March 23, 2023, Named Plaintiff filed its Motion with supporting Memorandum to Certify the Suit as a Class Action. *Id*. at ¶13. Such Complaint and Motion to Certify have since been amended, and the Parties stipulated in the Settlement Agreement to certification of one Settlement Class consisting of all individuals and entities who paid Fire Fees during the Settlement Class Period, or January 1, 2018, through the Court's entry of the Final Approval Order and Judgment. *See* Ex. B. The Court granted provisional class certification to the Settlement Class in the Preliminary Approval Order dated June 26, 2025.

Named Plaintiff owns, and has owned at least since 2018, one or more of the following properties: 249 Jamar Lane, Quitman, Georgia, 73 Augusta Road, Quitman, Georgia, 29 Kelly Drive, Quitman, Georgia, 748 Blaine Circle[2], Quitman, Georgia, and 600 Augusta Road, Quitman, Georgia (the "Subject Property"). In relation to the Subject Property, the County has invoiced Named Plaintiff, and Named Plaintiff has paid, the following Fire Fees:

According to the Georgia Supreme Court, "[a] tax is an enforced contribution exacted pursuant to legislative authority for the purpose of raising revenue to be used for public or governmental purposes, and not as payment for a special privilege or service rendered." *Bellsouth v. Telecommunications, LLC v. Cobb County*, 305 Ga. 144, 146, 824 S.E.2d 233, 236 (2019) (citing *Gunby v. Yates*, 214 Ga. 17, 19, 102 S.E.2d 548 (1958)). When determining whether a charge is a tax, the Georgia Supreme Court considers four (4) criteria: namely, whether the charge is "(1) a

means for the government to raise general revenue based on the payer's ability to pay (i.e., income or ownership of property), without regard to direct benefits that may inure to the payer or to the property taxed; (2) mandatory; (3) not related to the payer's contribution to the burden on government; and (4) not resulting in a 'special benefit' to the payer different from those to whom the charge does not apply." *Id*., 305 Ga. at 146-147.

Applying these criteria to the Fire Fee, reveals that the Fire Fee is a tax and not a fee. Addressing each of the four (4) *Bellsouth* criteria, it is clear that the Fire Fee is a tax:

1) It is first and foremost a mechanism used by the County to raise general revenue for fire protection services, including fire prevention and fire operations. Indeed, the payer of the Fire Fee is assessed the fee not because it used some particular service offered by the County or because it receives some direct benefit therefrom but simply because it owns property located in the County. In other words, the fee is charged based on the payer's ability to pay, *i.e*., his ownership of property.

2) Additionally, according to the Fire Fee Ordinance, the Fire Fee "will allow for the hiring of personnel, purchase of fire suppression equipment, the distribution of the water and the provision of hydrants…; to provide funds necessary for the maintenance of the Fire Protection System; [and] to provide funds for the enforcement of" the Fire Fee Ordinance. *See* Exhibit C, Fire Fee Ordinance, at Preamble. Therefore, the object and purpose of the Fire Fee is to provide general revenue rather than to compensate the County for services actually rendered.

3) Next, the Fire Fee is not assessed in a manner whereby the payment is based on the payer's contribution to the burden on the County to provide fire protection services nor does the payment of the Fire Fee result in some special benefit to the payer of the Fire Fee different from those who do not pay the fee. Certainly, the payer may pay the Fire Fee year after year and never utilize the fire protection services while the non-payer of the Fire Fee may utilize such services repeatedly. Moreover, the services funded through the payment of the Fire Fee benefit the general public and non-payers of the Fire Fee in precisely the same manner that the services benefit the payer of the Fire Fee.

4) Lastly, the Fire Fee is mandatory as non-payment results in the County assessing the property owner a twenty-dollar ($20) penalty. Further, should a Fire Fee remain unpaid for more than sixty (60) days, the Fire Fee Ordinance authorizes the County to turn the property owner's account over to an agency or attorney "for purposes of collection through any lawful means." *See* Ex. C at ¶4(c)-(d).

Pursuant to the reasoning of *Bellsouth*, the Fire Fee is consequently a tax.

Under the Georgia Constitution and Georgia law, taxation of real and tangible personal property is required to be *ad valorem*. That is, property must be assessed based upon the value of the property and not based upon a flat rate. *See Hutchins, et la. v. Howard, et al*., 211 Ga. 830, 89 S.E. 2d 183, 186 (1955) ("Taxation on all real and tangible personal property subject to be taxed is required to be *ad valorem* – that is, according to value, and the requirement in the Constitution that the rule of taxation shall be uniform, means that all kinds of property of the same class not absolutely exempt must be taxed alike, by the same standard of valuation, equally with other taxable property of the same class, and coextensively with the territory to which it applies; meaning the territory from which the given tax, as a whole, is to be drawn."). Here, the Fire Fee is charged as a flat fee on all parcels of land located within the County regardless of the size, value, or characteristics of the assessed parcel. The Fire Fee is therefore not *ad valorem* and is an illegal tax unauthorized by the Georgia Constitution. Named Plaintiff and the prospective class members are consequently entitled to refunds of the illegal taxes in the form of Fire Fees assessed and collected from 2018 to 2024, plus prejudgment interest. *See Hojeij Branded Foods, LLC v. Clayton County, Georgia, et al*., 355 Ga. App. 222, 843 S.E.2d 902 (2020) (cert denied Dec. 07, 2020) (Subsection (g) of the Refund Statute allows for the filing of a suit for a tax refund within five (5) years of the date the disputed taxes were paid).[3]

B. Settlement Agreement and Grant of Preliminary Approval

After all parties had a chance to thoroughly investigate the facts of this Lawsuit, the Parties began settlement negotiations, held numerous discussions, and were ultimately able to reach the Settlement which is memorialized in the Settlement Agreement. *See* Ex. B, Roberts Aff. at ¶¶18-

[3] The County disputes Named Plaintiff's contentions and allegations, denies that the Fire Fee constitutes an illegal tax, does not admit any liability or wrongdoing, and agreed to settlement solely to avoid the cost and uncertainty of continued litigation.

19. Such discussions were conducted by senior attorneys from both sides, and all participants in the settlement discussions were experienced in prosecuting and negotiating multimillion-dollar complex class action cases such as this Lawsuit. *Id*. at ¶¶3-9, 17. Each side had a thorough understanding of the allegations regarding the aggregate damages owed, the facts in support of the amount owed, and the defenses thereto. *Id*. at ¶¶14-18, 20. The County ultimately elected to settle the claims at issue in order to avoid the costs and uncertainty of litigation.

After reaching the Settlement memorialized in the Settlement Agreement, Named Plaintiff filed a Motion for Preliminary Approval of Class Action Settlement, Preliminary Certification of Settlement Classes, Approval of Notice Program and to Schedule Final Approval Hearing, which the Court granted on June 26, 2025 (the "Preliminary Approval Order"). *Id*. at ¶21. In the Preliminary Approval Order, the Court found "for settlement purposes, that the O.C.G.A. §9-11-23 factors are present and thus certification of the proposed Settlement Classes is appropriate", provisionally one (1) class,[4] scheduled a final approval hearing (the "Final Approval Hearing") for August 18, 2025, at 9:30 a.m. and directed that notice of the Settlement Agreement and the Final Approval Hearing be provided to the provisionally certified class. *Id*. at ¶¶23-26. The Court further directed that (1) notice be mailed by first class mail to all Class Members to their last known addresses as appearing in the records maintained by the County (the "Full Notice"); (2) an advertisement be placed in the Quitman Free Press (the "Publication Notice"); and (3) a single-purpose website be created (the "Settlement Website") where Class Members can access documents related to the Lawsuit. *Id*. at ¶26.

[4] The Court provisionally certified the one (1) class consisting of all individuals or entities who paid Fire Fees during the Settlement Class Period or January 1, 2018 through the date of the Court's entry of the Final Approval Order and Judgment (the "Settlement Class").

In accordance with the Court's Order, Nine thousand four hundred and forty-six (9,446) Full Notices were mailed to Class Members to their last known addresses as appearing on the records maintained by the County during the period of July 14, 2025, through July 21, 2025. *Id*. at ¶29; Affidavit of Terry Turner (the "Turner Affidavit") attached hereto as **Exhibit "D"**. Likewise, the website was created providing information about the Lawsuit, and the Publication Notice was placed in the Quitman Free Press on July 16, 2025, July 23, 2025, July 30, 2025, and August 6, 2025. *See* Ex. D. Turner Affidavit; Ex. B, Roberts Aff. at ¶¶30-31; Publisher's Affidavit (the "Publisher's Aff.") attached hereto as **Exhibit "E"**. The form and content of the Full Notice and the Publication Notice was approved by the Court in its Preliminary Approval Order. *See* Ex. B, Roberts Aff. at ¶26. The Notice Program provided Class Members with the material terms of the Settlement Agreement and instructions on how to object if they believed that any aspect of the Settlement Agreement was not fair, reasonable, and adequate. *Id*. at ¶32. The Notice Program also advised the Class Members of the date, time, and location of the Final Approval Hearing. *Id*. at ¶30.

C. Terms of the Settlement Agreement

The direct benefits of the Settlement to the Class Members include the creation of the Total Cash Consideration in the amount of One Million and no/100 dollars ($1,000,000.00). The Total Cash Consideration will be used to pay (i) all refunds and interest owed to Class Members; (ii) Plaintiff's Counsel for attorneys' fees and expenses; (iii) Class Representative Service Payments; and (iv) the administrative costs. The County shall pay the Total Cash Consideration as follows:

1. $150,000.00 on or before July 15, 2025 ("1st Refund Fund Payment");
2. $250,000.00 on or before January 15, 2026 ("2nd Refund Fund Payment");
3. $250,000.00 on or before July 15, 2026 (3rd Refund Fund Payment");

4. $350,000.00 on or before January 15, 2027 (4th Refund Fund Payment").

In the event that the County fails to make the payments into the Aggregate Refund Fund as provided in the Settlement Agreement, post judgment interest shall accrue at a rate of 7.0% per annum as set by O.C.G.A. § 7-4-2(a)(1)(A) on said amount until paid in full.

As fully stated in the Settlement Agreement, each Settlement Class Member will receive his or her share of his or her Cash Consideration as in accordance with the Settlement Agreement. The Cash Consideration is determined based on the fire fees paid by each Settlement Class Member during the Settlement Class Period and the total amount available for distribution after deducting Court-Awarded Class Counsel Fees, Costs, and Expenses, Service Awards, and Notice and Administration Costs from the Total Cash Consideration. For a detailed explanation of the calculation, *see* Ex. A, Settlement Agreement at Section Two (C).

Under the Settlement Agreement, the Claims Administrator[5] shall complete the initial identification of Settlement Class Members entitled to refunds and the amount of the individual refunds due (each Settlement Class Member's Cash Consideration) based on Settlement Property Owners[6] within four (4) months of final approval of the Settlement Agreement ("Initial Settlement Class Member List"). The Administrator will post the Initial Settlement Class Member List on the Settlement Webpage and provide notice in The Quitman Free Press. *See, generally, id.* at Section Two. Settlement Class Members, including potential Missing Class Members and Alternative Class Members (as defined in the Settlement Agreement), shall then have forty-five (45) days from the posting of the Initial Settlement Class Member List to submit claim forms and object to any

[5] "Claims Administrator" means Terry D. Turner, Jr., of Gentle Turner & Benson, LLC.

[6] "Settlement Property Owner" means the person or entity that owned the Settlement Property (a property against which a Fire Fee was assessed pursuant to the Fire Fee Ordinance during the Settlement Class Period) during the Settlement Class Period and was billed and responsible for payment of the Fire Fee assessed for any Settlement Property regardless of whether the payment of Fire Fee was tendered or transmitted by another person or entity including but not limited to lessees, mortgage companies or related individuals or entities.

individual refund calculations made by the Claims Administrator. *Id*. Upon final conclusion of submission and review of Objections and claims submitted by Class Members, the Claims Administrator will publish on the Settlement Website the Final Settlement Class Member List setting forth each Settlement Class Member's Cash Consideration. *Id*. The Claims Administrator shall thereafter distribute via first-class U.S. mail each Settlement Class Member's Cash Consideration during the Distribution Period (as defined in the Settlement Agreement) and, within 30 business days after the expiration of the Time of Distribution, certify to the Court that the Claims Administrator has completed all such distributions and mailings. *Id*.

In exchange, the Class Members will release the County from claims and demands for the payment of taxes asserted in the Lawsuit related to or arising out of issues in this Lawsuit. *See* generally *id*. at Sections Three & Five. For more information concerning the release, *see* Ex. A, Settlement Agreement, at Sections Three & Five.

II. THE SETTLEMENT AGREEMENT IS FAIR, REASONABLE, AND ADEQUATE AND THEREFORE MERITS FINAL APPROVAL

O.C.G.A. § 9-11-23 governs class action litigation and provides that "[a] class action shall not be dismissed or compromised without the approval of the court and notice of the proposed dismissal or compromise shall be given to all members of the class in such manner as the court directs." O.C.G.A. § 9-11-23(e). Thus, any resolution of class action litigation must be approved by the court. Such approval involves a two-step process. First, the Court must conduct a preliminary review to determine whether the proposed Settlement Agreement is "within the range of possible approval." *Fresco v. Auto Data Direct, Inc*., 2007 WL 2330895, at *4 (S.D. Fla. May 11, 2007) (internal citations omitted).[7] That step was completed when the Court issued its

[7] Since its enactment in 1966 Georgia courts have read O.C.G.A. § 9-11-23 to track Federal Rule of Civil Procedure 23, and in 2003, O.C.G.A. §9-11-23 was modified to actually conform to the federal rule. Thus, Georgia

Preliminary Approval Order on June 26, 2025. Following the preliminary approval, the second and last step – which is where we are in this matter – is for the Court to determine the Settlement Agreement's fairness. A class action settlement should be approved "if it is fair, adequate, reasonable and free of fraud or collusion." *Bennett, et al. v. Behring Corporation, et al.*, 737 F.2d 982, 986 (11th Cir. 1984). "A settlement is fair, reasonable and adequate when the interests of the class as a whole are better served if the litigation is resolved by the settlement rather than pursued." *See also In re Checking Account Overdraft Litigation*, 2020 WL 4586398, at *8 (S.D. Fla. 2020) ("Overdraft Litg. II") (internal citations and punctuation omitted).

Largely due to the complexity and difficulties of class action litigation, "[p]ublic policy strongly favors the pretrial settlement of class action lawsuits." *In re U.S. Oil and Gas Litig*., 967 F.2d 489, 493 (11th Cir. 1992); *see also Ass'n for Disabled Americans, Inc. v. Amoco Oil Co*., 211 F.R.D. 457, 466 (S.D. Fla. 2002) (citing *Cotton v. Hinton*, 559 F.2d 1326, 1331 (5th Cir. 1977)) ("There is an overriding public interest in favor of settlement, particularly in class actions that have the well-deserved reputation as being most complex."); *McGaffin v. Argos USA, LLC*, 2020 WL 3491609, at *4 (S.D. Ga. 2020) ("Settlements of class actions are favored."); *Bennett*, 737 F.2d at 986 ("[O]ur judgment is informed by the strong judicial policy favoring settlement as well as by the realization that compromise is the essence of settlement."); I., 112 F. Supp. 2d 1329, 1333 (N.D. Ga. 2000) ("In its evaluation of the proposed settlement, the court should be mindful of the judicial policy favoring settlement and cognizant that compromise is the essence of settlement. Settlements conserve judicial resources by avoiding the expense of a complicated and protracted litigation process and are highly favored by the law.") (internal citations omitted); *Overdraft Litg.*

courts rely on federal cases interpreting FRCP 23(e) when interpreting O.C.G.A. § 9-11-23(e). *See Sta-Power Indus., Inc., v. Avant*, 134 Ga. App. 952-953 (1975) ("Since there are only a few definitive holdings in Georgia on [O.C.G.A. § 9-11-23], we also look to federal law to aid us.").

II, 2020 WL 4586398, at *7 ("[C]ourts have long recognized a strong policy and presumption in favor of class action settlements."); *accord In re Domestic Air Transp. Antitrust Litigation*, 148 F.R.D. 297, 312 (N.D. Ga. 1993) (in approving proposed class action settlement, recognizing and being guided by the strong judicial policy favoring settlements; that compromise is the essence of settlement; and that "settlements of class actions are highly favored … and will be upheld wherever possible because they are a means of amicably resolving doubts and preventing lawsuits.") (quoting in part *Bennett v. Behring Corp*., 96 F.R.D. 343, 348 (S.D. Fla. 1982), *aff'd*, 737 F.2d 982 (11th Cir. 1984)).

The ultimate determination of whether a proposed class action settlement warrants approval resides in the court's discretion. *See Protective Comm. For Indep. S'holders of TMT Trailer Ferry, Inc. v. Anderson*, 390 U.S. 414, 424-25 (1968). The Eleventh Circuit has identified the following factors that a court should consider in determining whether a settlement is fair, reasonable, and adequate:

> (1) the likelihood of success at trial; (2) the range of possible recovery; (3) the point on or below the range of possible recovery at which a settlement is fair, adequate and reasonable; (4) the complexity, expense and duration of litigation; (5) the substance and amount of opposition to the settlement; and (6) the stage of proceedings at which the settlement was achieved.

Columbus Drywall & Insulation, Inc, et al v. Masco Corp., et al, 258 F.R.D. 545, 558-59 (N.D. Ga. 2007) (quoting *Bennett*, 737 F.2d at 986). Such factors are known as the *Bennett* factors. *See also Overdraft Litg. II*, 2020 WL 4586398, at *9.

In addition to the *Bennett* factors, Federal Rule 23(e)(2) provides that courts may approve a proposed settlement as "fair, adequate, and reasonable" only after a hearing and after considering the following factors:

A. the class representatives and class counsel have adequately represented the class;

B. the proposal was negotiated at arm's length;

C. the relief provided for the class is adequate, taking into account:

i. the costs, risks, and delay of trial and appeal;

ii. the effectiveness of any proposed method of distributing relief to the class, including the method of processing class-member claims;

iii. the terms of any proposed award of attorney's fees, including timing of payment; and

iv. any agreement required to be identified under Rule 23(e)(3) [any agreement made in connection with the settlement]; and

v. the proposal treats class members equitably relative to each other.

Fed. R. Civ. P. 23(e)(2).[8]

As discussed below, a review of the Rule 23(e)(2) factors, which are substantively similar to the *Bennett* factors, shows the Settlement to be eminently fair, reasonable and adequate, warranting final approval of the Settlement Agreement.[9]

A. The *Bennett* Factors Support Final Approval of the Judgment.

When evaluating the *Bennett* factors, it is important to keep in mind that the court is not to try the case on the merits. *See Perez v. Asurion Co*., 501 F. Supp. 2d 1360, 1380 (S.D. Fla. 2007). "Rather the court must rely upon the judgment of experienced counsel and, absent fraud, should

[8] Nevertheless, "[j]udges should not substitute their own judgment as to the optimal settlement terms for the judgment of the litigants and their counsel." *Armstrong v. Board of School Directors*, 616 F.2d 305, 315 (7th Cir. 1980), overruled on other grounds in *Felzen v. Andreas, et al*., 134 F.3d 873 (7th Cir. 1998). Thus, "[i]n determining whether to approve a proposed settlement, the Court is entitled to rely upon the judgment of the parties' experienced counsel," and, absent fraud or collusion should be hesitant to substitute its own judgment for that of counsel. *Domestic Air Transp*., 148 F.R.D. at 312-313. *See also Nelson v. Mead Johnson & Johnson Co*., 484 Fed. Appx. 429, 434 (11th Cir. 2012) (In making a determination of whether the settlement is fair, reasonable, and adequate, the court may rely on "the judgment of experienced counsel for the parties.").

[9] With regard to factor Rule 23(e)(2)(C)(iii) (terms of any proposed award of attorney's fees), see Application for Attorney's Fees, Reimbursement of Expenses and Service Award to Class Representative with Memorandum of Law in Support filed on July 28, 2025. With regard to factor Rule 23(e)(2)(C)(iv) (any agreement made in connection with the settlement), Class Counsel has confirmed that there are no agreements in connection with the Settlement other than specifically articulated in the Settlement Agreement. *See* Ex. B, Roberts Aff. at ¶22.

be hesitant to substitute its own judgment for that of counsel." *Id*. (Citation omitted). Here, each *Bennett* factor weighs in favor of granting final approval.

i. The benefits outweigh the risks at trial.

The first *Bennett* factor, the likelihood of success at trial (similar to Rule 23(e)(2)(C)(i)), must be weighed "against the amount and form of relief contained in the settlement." *Saccoccio v. JP Morgan Chase Bank, NA*, 297 F.R.D. 683, 692 (S.D. Fla. 2014) (quotation omitted). Additionally, in considering the risks involved in continued litigation, "[t]he [c]ourt should consider the vagaries of litigation and compare the significance of immediate recovery by way of the compromise to the mere possibility of relief in the future, after protracted and expensive litigation." *Overdraft Litg. II*, 2020 WL 4586398, at *10 (internal citations omitted); *see also In re U.S. Oil & Gas Litig.*, 967 F.2d at 493 (noting that complex litigation "can occupy a court's docket for years on end, depleting the resources of the parties and taxpayers while rendering meaningful relief increasingly elusive"). In this regard, the Eleventh Circuit recently noted that "[s]uccess at trial is always uncertain, but the complexity, expense, and likely protracted litigation that would be expected in [a class action] case increase the chances that [p]laintiffs and the [c]lass might not ultimately succeed in [the] case." *McGaffin*, 2020 WL 33491609, at *6.

With such considerations in mind, if the Court enters final approval of the Settlement Agreement, the direct benefits to the Class Members include the creation of an Aggregate Refund Fund in the amount of One Million Dollars and No/100 ($1,000,000.00). *See* Ex. B, Roberts Aff. at ¶39; Ex. A, Settlement Agreement, at Section Two. The Settlement Agreement provides immediate cash refunds for the Class Members up to roughly 25% of the total calculated refund due less fees and expenses. *See* Ex. A, Settlement Agreement. On the other hand, should the Settlement Agreement not be approved, Named Plaintiff's Motion to Certify the Suit as Class

Action remains pending. Class certification is always challenging and assuming that a class is certified, plaintiffs risk losing on summary judgment, at trial, or on appeal. Moreover, if this matter proceeds to trial the outcome could result in relief either greater or less than the Aggregate Refund Fund. Thus, the possibility of a trial producing a more favorable recovery is remote, and the Class would risk the many hazards of litigation, such as trial errors and appeals. *See In re Motorsports*, 112 F. Supp. 2d at 1334 ("[T]he trial process is always fraught with uncertainty."); *Allapattah Servs., Inc. v. Exxon Corp*., 454 F. Supp. 2d 1185, 1206 (S.D. Fla. 2006) ("[C]lass actions involving various legal theories are, by their nature, very difficult."). The Settlement Agreement avoids these uncertainties and provides the Class Members with meaningful and certain relief. Accordingly, the first *Bennett* factor weighs in favor of granting final approval to the Settlement Agreement.

ii. The Settlement is within the range of possible recoveries and is fair, adequate, and reasonable.

The second and third *Bennett* factors – whether the settlement is within the range of possible recoveries and is fair, adequate, and reasonable – can be considered together. *See Burrows v. Purchasing Power, LLC*, 2013 WL 10167232, at *6 (S.D. Fla. Oct. 7, 2013). In assessing the Settlement Agreement, "[t]he Court's role is not to engage in a claim-by-claim, dollar-by-dollar evaluation, but to evaluate the proposed settlement in its totality." *Lipuma v. American Express Co*., 406 F. Supp. 2d 1298, 1323 (S.D. Fla. 2005). "[T]he Court must determine whether it falls within the range of reasonableness, not whether it is the most favorable possible result in the litigation." *In re Domestic Air Transp. Antitrust Litig.*, 148 F.R.D. 297, 319 (N.D. Ga. 1993). Furthermore, as the District Court for the Southern District of Florida explained, "[i]n evaluating a proposed class action settlement, the Court will not substitute its business judgment for that of the parties." *Overdraft Litg. II*, 2020 WL 4586398, at *7 (internal citations and punctuation

omitted). "[T]he only question is whether the settlement, taken as a whole, is so unfair on its face as to preclude judicial approval." *Id*. (Internal citations and punctuation omitted).

As discussed above, should the Court approval the Settlement Agreement, the Class Members will receive up to roughly 25% of the total calculated refund due less fees and expenses. *See* Ex. A, Settlement Agreement, Section Two. *Compare WinSouth Credit Union v. Mapco Express, Inc*., No. 3:14-cv-01573 (M.D. Tenn. Jan. 12, 2017) (approving settlement despite arguments that it provided less than 10 percent of the potential recovery). Moreover, the Settlement was reached while a Motion to Dismiss was pending which if successful would have resulted in no recovery by class members. *See* Ex. B, Roberts Aff. at ¶13. This is an immediate and substantial benefit to the Class Members. Moreover, and significantly, by previously granting preliminary approval of the Settlement Agreement, this Court has already determined that the Settlement Agreement falls within the range of possible recovery. *See Matter of Skinner Group, Inc*., 206 B.R. 252, 261 (Bankr. N.D. Ga. 1997). Therefore, the Settlement Agreement is within the range of possible recoveries and is fair, adequate, and reasonable, and the second and third *Bennett* factors favor its final approval.

iii. Continued litigation would be expensive and lengthy.

A settlement that "will alleviate the need for judicial exploration of…complex subjects [and] reduce litigation costs…" merits approval. *Lipuma*, 406 F. Supp. 2d at 1324. In analyzing whether the complexity, expense, and duration of litigation support final approval of a proposed settlement, courts compare the benefits of immediate recovery against the uncertainties of complex, expensive, and potentially lengthy litigation. *See Columbus Drywall & Insultation, Inc. v. Masco Corp*., 2012 WL 12906499, at *3 (N.D. Ga. Oct. 26, 2012) (comparing benefits of "certain and substantial recovery" provided by settlement with "no assurance of any recovery, let alone a larger

one, if the litigation were to continue against [defendant] through trial and the delay of an appeal"); *Ingram v. the Coca-Cola Co*., 200 F.R.D. 685, 691 (N.D. Ga. 2001) (comparing expenses and duration of further litigation with "the strength of the relief [and] the added benefit of obtaining it now rather than years from now.").

Here, as discussed above, the Settlement Agreement provides significant immediate monetary relief. *See* Ex. B, Roberts Aff. at ¶39. Moreover, final approval of the Settlement Agreement will avoid complex, expensive, and continued lengthy litigation, saving resources of the Parties and the Court as trying this Lawsuit to verdict would involve expert involvement, extensive argument and voluminous briefing, and possible *Daubert* challenges and appeals. *Id*. at ¶51. Thus, the fourth *Bennett* factor favors final approval of the Settlement Agreement.

iv. There is no opposition to the Settlement Agreement.

The fifth *Bennett* factor requires the Court to consider "the substance and amount of opposition to the settlement." *Bennett*, 737 F.2d at 986. "[A] low percentage of objections demonstrates the reasonableness of the Consent Judgment and supports the Consent Judgment's approval." *In Re: The Home Depot, Inc., Customer Data Security Breach Litigation*, 2016 WL 6902351, at *6 (N.D. Ga. Aug. 23, 2016). To alert the Class Members and provide them an opportunity to object to the Settlement Agreement, the Full Notice was mailed to Class Members during the period of July 14, 2025, through July 21, 2025, the Publication Notice was placed in the Quitman Free Press on July 16, 2025, July 23, 2025, July 30, 2025, and August 6, 2025, and notice was posted on the Settlement Website at https://schreckfirefeessettlement.com/. *See* Ex. B, Roberts Aff. at ¶¶29-31; Ex. D, Publisher's Aff. Class Members had until August 8, 2025, to object.

See Ex. B, Roberts Aff. at ¶35. No objection has been filed by any Class Member. *Id*. Accordingly, the fifth *Bennett* factor favors final approval of the Settlement Agreement.[10]

v. The stage of the proceedings supports final approval of the Settlement Agreement.

The purpose of the final *Bennett* factor is "to ensure that [p]laintiffs had access to sufficient information to adequately evaluate the merits of the case and weigh the benefits of settlement against further litigation." *Lipuma*, 406 F. Supp.2d at 1324. The discovery completed, however, need not be exhaustive. *See Jones v. Amalgamated Warbasse Houses, Inc*., 97 F.R.D. 355, 360 (E.D. N.Y. 1982, *judgment aff'd*, 721 F.2d 881 (2d Cir. 1983). Where information has been gathered through other means "formal discovery [is not] a necessary ticket to the bargaining table." *In re Corrugated Container Antitrust Litig*., 643 F.2d 195, 211 (5th Cir. 1981); *see also In re Mego Fin. Corp. Sec. Litig.*, 213 F.2d 454, 459 (9th Cir. 2000) (same); *Cotton*, 559 F.2d at 1332 (finding that "very little formal discovery was conducted and there [was] no voluminous records in this case" but that "the lack of such does not compel the conclusion that insufficient discovery was conducted," as plaintiffs "achieved the desired quantum of information necessary to achieve a settlement" through investigation and informal discovery). Moreover, "[t]he law is clear that early settlements are to be encouraged, and accordingly, only some reasonable amount of discovery should be required to make these determinations." *Ressler v. Jacobson*, 822 F. Supp. 1551, 1555 (M.D. Fla. 1992). Indeed, in analyzing the final *Bennett* factor it must be remembered that

[10] Even if objections existed here, which they do not, courts have held that where only a small number of class members object to a settlement, there is convincing evidence of the fairness and adequacy of the proposed settlement and should be approved. *See e.g. Stoetzner v. United States Steel Corp*., 897 F.2d 115 (3d Cir. 1990) (settlement strongly favored where there were only 29 objections out of 281 class members); *Rodriquez v. West Pub. Corp*., 563 F.3d 948, 967 (9th Cir. 2009) (explaining that the "court ha[s] discretion to find a favorable reaction…among class members where there were "only fifty-four objections" out of 376,301 class members receiving notification); *Churchill Village, LLC v. Gen. Elec*., 361 F.3d 566, 577 (9th Cir. 2004) (affirming approval of class action settlement with 45 objections from a 90,000 person class).

"penalizing class counsel for achieving a settlement [early] would work against the interests of the class and undercut the judicial policy favoring early settlement." *In re Equifax Inc. Customer Data Security Breach Litigation*, 2020 WL 256132, at *35 (N.D. Ga. 2020), *aff'd in part and remanded by In re Equifax Inc. Customer Data Security Breach Litigation*, 999 F.3d 1247 (11th Cir. 2021).

In this case, Class Counsel conducted early, informal discovery, issued numerous Open Records Requests ("ORRs") to the County, spent a substantial number of hours investigating the facts of this case and the hundreds of potential refund claims in tax years 2018, 2019, 2020, 2021, 2022, 2023, 2024, and 2025, and extensively analyzed and calculated the damages and refunds potentially owed. *See* Ex. B, Roberts Aff. at ¶¶3-9, 14-16. Plaintiff filed Motion to Certify the class as well as two amendments, three Amended Complaints and responded to a Motion to Dismiss filed by Defendant which remains pending. *Id*. at 13. Furthermore, Class Counsel thoroughly researched the legal issues involved herein, and Attorney Roberts, as lead counsel, has briefed and argued the same issues in other tax refund and tax appeal matters and is very familiar with the statutory interpretations for refund matters under the Refund Statute. *See* Ex. B, Roberts Aff. at ¶¶3-9, 14-16, 46-47. Such early, informal discovery and the research of the legal basis for this Lawsuit was conducted prior to filing the Complaint and before conducting resolution discussions with the County. *Id*. at ¶¶16-20. The facts of this Lawsuit have therefore been thoroughly investigated, and in combination with Class Counsel's litigation experience, Class Counsel can and has adequately analyzed the strengths and weakness of this Lawsuit. *Id*. at ¶3-9, 16-19, 46-47.

Although Class Counsel was able to reach the Settlement Agreement in this Lawsuit more efficiently than in some other cases (*see, e.g., Altamaha Bluff, LLC, et al. v. Thomas, et al*., Superior Court of Wayne County, 14CV0376 (6 years) and *Coleman v. Glynn County*, Superior

Court of Glynn County, CE12-01785-063, CE13-01480-063; and CE14-00750-063 (7 years)), such efficiency reflects Class Counsel's experience in handling tax and fee refund matters. Class Counsel knew the work and investigation that was required in order to reach a fair, adequate and reasonable Settlement. Moreover, based on lead Class Counsel's experience with refund cases, Class Counsel knew the issues they faced at every stage in the Lawsuit, knew the potential refund recovery to be had and the chance of achieving it. *See* Ex. B, Roberts Aff. at ¶¶47-48; *see also Overdraft Litg. II*, 2020 WL 4586398, at *10 ("Information obtained from other cases may be used to assist in evaluating the merits of a proposed settlement of a different case.") (Internal citations omitted). Similarly, this experience enabled Class Counsel to convince the County not only that Class Counsel were adequate to the task and willing to do what it took to achieve an excellent result, but that they genuinely understood – for both sides – what the case was worth given the law, facts, and risks. In short, Class Counsel was well positioned to evaluate the strengths and weaknesses of the claims in part as a result of their litigation and settlement of similar tax refund cases. *Compare Overdraft Litg. II*, 2020 WL 4586398, at *12 ("Class Counsel were well positioned to evaluate the strengths and weaknesses of [p]laintiffs' claims, as well as the appropriate basis upon which to settle them, as a result of their litigation and settlement of similar claims reached [in other cases].").

Thus, Class Counsel was well informed of the merits of the Lawsuit and had sufficient information to weigh the benefits of settlement against further litigation. As a result, and in combination with Class Counsel's litigation experience, Class Counsel determined that the Settlement Agreement is fair, adequate and reasonable. *See* Ex. B, Roberts Aff. at ¶49. Accordingly, the sixth *Bennett* factor favors final approval of the Settlement Agreement.

B. The Judgment of Class Counsel Should be Afforded Great Weight.

Where experienced counsel represents the Class Members, the court, "absent fraud, collusion, or the like, should be hesitant to substitute its own judgment for that of counsel." *Cotton*, 559 F.2d at 1330. As the District Court for the Northern District of Georgia recently stated, "in evaluating whether the settlement is fair, reasonable, and adequate the [c]ourt also gives due weight to the judgment of class counsel." *Equifax*, 2020 WL 256132, at *11. *See also Ingram*, 200 F.R.D. at 691 (taking into account experienced class counsel's "collective judgment that the benefits of the settlement far outweigh the delay and considerable risk of proceeding to trial"). Here, Class Counsel has extensive experience in refund actions such as this Lawsuit, as well as tax law, including property tax law and litigation having handled tax appeals and tax refund matters for thousands of parcels in over 60 counties in the State of Georgia as well as Florida, Virginia, Alabama, and North Carolina at the administrative, trial court, and appellate court levels. *See* Ex. B, Roberts Aff. at ¶¶3-9. Class Counsel regularly provides advice and counsel to clients on matters related to taxation and the valuation of property for taxation, exemption, and special use valuation programs. *Id*.

Class Counsel, guided by such experience, believes that the Settlement Agreement represents an extraordinary result. *Id*. at ¶49. It is the opinion of Class Counsel that the Settlement achieved in this Lawsuit is fair, reasonable, and adequate under the circumstances. *Id*. Therefore, Class Counsel recommends that the Court grant final approval of the Settlement Agreement, *Id*., and the Court should give "great weight to the recommendation of counsel for the parties, given their considerable experience in this type of litigation." *Lunsford v. Woodforest Nat'l Bank*, 2014 U.S. Dist. LEXIS 200716, at *26 (N.D. Ga. 2014) (internal citations omitted); *see also Overdraft Litg. II*, 2020 WL 4586398, at *12 (same). Further, the Settlement Agreement is not a product of

collusion. *See* discussion at Section II.C *infra*. Thus, Class Counsel's judgment provides further support that the Settlement Agreement is fair, adequate and reasonable.

C. The Settlement Agreement is the Result of Good Faith Negotiations and is Not the Produce of Collusion Between the Parties.

In addition to the *Bennett* factors, a court in granting final approval of a class action settlement must find that the settlement "is not a product of collusion between the parties." *Bennett*, 757 F.2d at 986; FRCP 23(e)(2)(B). In determining whether the settlement is a product of collusion, the Court examines "whether the settlement was achieved in good faith through arms-length negotiations, whether it was the product of collusion between the parties and/or their attorneys, and whether there was any evidence of unethical behavior or want of skill or lack of zeal on the part of class counsel." *Berman v. General Motors LLC*, 2019 WL 6163798, at 4 (S.D. Fla. Nov. 18, 2019) (internal citations omitted). Courts have found no collusion where the settlement is the result of extensive arms-length negotiations. *See e.g. Ingram*, 200 F.R.D. at 693; *In re Checking Account Overdraft Litig*., 275 F.R.D. 654, 661 (S.D. Fla. 2011) ("Settlement negotiations that involve arm's length, informed bargaining with the aid of experienced counsel support a preliminary finding of fairness.").

The Settlement Agreement was negotiated at arm's length and without collusion. *See* Ex. B, Roberts Aff. at ¶37. The Parties engaged in extensive arm's length resolution negotiations, discussions concerning the terms of the Settlement Agreement were conducted by senior attorneys from both sides, all participants in the resolution discussions were experienced in prosecuting and negotiating multimillion-dollar complex class action cases such as this Lawsuit, and each side had a thorough understanding of the allegations regarding the aggregate damages owed, the facts in support of the amount owed, and the defenses thereto. *Id*. The Settlement Agreement is therefore not a product of collusion between the Parties but is instead the result of hard-fought, arms-length

negotiations. There is no evidence of collusion as counsel for both Parties zealously represented the best interests of their clients. *Id*. Moreover, Class Counsel believes that the Settlement Agreement is fair and reasonable thereby entitling the Settlement Agreement to a presumption of fairness. *Id*. at ¶49; *see also Slomovics v. All For A Dollar, Inc*., 906 F. Supp. 146, 150 (E.D.N.Y. 1995) (Courts give considerable weight to the views of experienced counsel as to the merits of a settlement).

Because all of the *Bennett* factors heavily weigh in favor of approval of the Settlement Agreement, there is no collusion between the Parties, and Class Counsel's judgment should be afforded great weight, final approval of the Settlement Agreement should be granted.

D. Class Members Received Excellent Representation.

The record shows that the Named Plaintiff and Class Counsel have provided exceptional representation to the Class Members as required by Rule 23(e)(2)(A). To begin, Named Plaintiff, as the Class Representative, shares the same interests as the absent Class Members and asserts claims stemming from the same event – the County levied and assessed illegal taxes in the form of fire fees – and accordingly shares the same injuries. Named Plaintiff has no claim and no interest different from or antagonistic to the absent Class Members. *See* generally Named Plaintiff's Fourth Amended Class Action Complaint. Finally, Named Plaintiff vigorously prosecuted this Lawsuit leading to the proposed Settlement Agreement. *See* discussion of Named Plaintiff's involvement in the Lawsuit in the Application for Attorney's Fees, Reimbursement of Expenses and Service Award to Class Representative with Memorandum of Law in Support filed on July 28, 2025, at Section III(B).

Named Plaintiff retained Class Counsel who is experienced in class action litigation generally and specifically refund class actions. Class Counsel thoroughly researched the facts of

and legal issues in this Lawsuit. *See* Ex. B, Roberts Aff. at ¶¶14-16, 46-47. Lead Class Counsel's extensive knowledge in complex litigation and tax refund litigation, as well as the investigation and early discovery conducted in the Lawsuit, allowed Class Counsel to better understand the merits of the Lawsuit and damages involved, prepared Class Counsel for resolution discussions, and successfully positioned Class Counsel to engage in vigorous, arm's length negotiations. *Id*. at ¶¶3-9, 14-16, 46-48. Stated succinctly, the extensive information gathered permitted Class Counsel and Named Plaintiff to assess their position in great detail and make a reasonable decision on the Settlement Agreement. *See Mashburn v. Nat'l Healthcare, Inc*., 684 F. Supp. 660, 669 (M.D. Ala. 1988) (settlement appropriate given counsel acquired sufficient information "to determine the probability of…success on the merits, the possible range of recovery, and the likely expense and duration of the litigation."). In light of the foregoing, the Settlement Agreement represents an informed, educated, and fair resolution of the Lawsuit.

E. The Settlement Agreement Treats Class Members Equitably.

Each Settlement Class Member (as defined in the Settlement Agreement) will receive payment from the Aggregate Refund Fund and all terms of the Settlement Agreement will apply to all Settlement Class Members equitability relative to each other. *See* Rule 23(e)(2)(D) factor; Ex. B, Roberts Aff. at ¶41. That is, each Settlement Class Member will receive his or her share of his or her Cash Consideration in accordance with the Settlement Agreement. The Cash Consideration is determined based on the fire fees paid by each Settlement Class Member during the Settlement Class Period and the total amount available for distribution after deducting Court-Awarded Class Counsel Fees, Costs, and Expenses, Service Awards, and Notice and Administration Costs from the Total Cash Consideration. *Id*. at ¶42. For a detailed explanation of the calculation, see Section Two (C) of the Settlement Agreement.

F. The Proposed Method of Distribution of Refunds is the Best Method of Distribution Possible.

Rule 23(e)(2)(C)(ii) requires the Court to review the effectiveness of any proposed method of distributing relief to the class. As set forth in the Settlement Agreement, all Class members are treated equally in the Settlement. Courts have consistently concluded that where the settlement terms apply to all Class Members, the "method of distributing relief to the class" will effectively benefit every member of the Class and treat them equitability relative to each other." *Gumm v. Ford*, 2019 WL 479506, at *6 (M.D. Ga. Jan. 17, 2019). Importantly, if the Class Member is a Category 1 Class Member as defined in the Settlement Agreement, the Class Member needs to take no further action in order to receive the refund. *See* Ex. A, Settlement Agreement, Section Two(E).

G. The Class Received Adequate Notice and Had Opportunity to be Heard.

O.C.G.A. §9-11-23(e) provides "notice of the proposed…compromise shall be given to all members of the class in such manner as the court directs." Due process likewise requires that class members be given notice and an opportunity to be heard. *See Phillips Petroleum v. Shutts*, 472 U.S. 797, 812 (1985). The method and manner of the notice process is "left to the discretion of the court subject only to the broad 'reasonableness' standards imposed by due process." *Grunin v. Int'l House of Pancakes*, 513 F.2d 114, 121 (8th Cir. 1975), *cert. denied*, 423 U.S. 864 (1975); *see also* O.C.G.A. §9-11-23(e).

In deciding which method of notice is sufficient, courts look solely to the notice language and the manner of distribution. *See Adams v. Southern Farm Bureau Life Ins. Co*., 493 F.3d 1276 (11th Cir. 2007). Notice to the class need not include every material fact or be overly detailed. *See Faught v. Am. Home Shield Corp.*, 668 F.3d 1233 (11th Cir. 2011). Nor is there any single way in which the notice must be transmitted. Mail, however, "is the preferred means for notifying

identified members of a class." Newberg on Class Actions, §8:28 (5th ed. 2013). Mail is sufficient when the class members are known. Wright & A. Miller, Federal Practice and Procedure, §1797.6 (3rd ed. 2005). Publication is nevertheless an acceptable substitute when individual notice to Class Members is not possible. *See Hughes v. Kore of Indiana Enterprise, Inc*., 731 F.3d 672, 676–77, 86 Fed. R. Serv. 3d 647 (7th Cir. 2013) ("The members of the class in this case can't be identified through reasonable effort, effort commensurate with the stakes…When reasonable effort would not suffice to identify the class members, notice by publication, imperfect though it is, may be substituted."); *Mirfasihi v. Fleet Mortg. Corp*., 356 F.3d 781, 786, 57 Fed. R. Serv. 3d 1158 (7th Cir. 2004) ("When individual notice is infeasible, notice by publication in a newspaper of national circulation…is an acceptable substitute."); *Shurland v. Bacci Cafe & Pizzeria on Ogden, Inc*., 271 F.R.D. 139, 145 (N.D. Ill. 2010) ("In instances where the names and addresses of class members are not easily ascertainable, notice by publication alone continues to find support in more recent case law."). Notice by email is also recognized by courts as a means by which the Class can be notified. *See Browning v. Yahoo!, Inc*., 2007 WL 4105971, at *4-7 (N.D. Cal. Nov. 16, 2007) (finding a notice program that included email notice to be the best practicable under the circumstances and satisfied due process); *Holman v. Student Loan Xpress, Inc*., 2009 WL 4015573, at *6 (M.D. Fla. November 19, 2009) (approving notice by first class mail to most recent known address).

i. The best practicable notice was furnished.

The Notice Program employed here was multi-faceted and included (a) distribution of Court-approved Full Notice by U.S. Mail; (b) Court-approved Publication Notice; and (c) Settlement Website. *See* Ex. B, Roberts Aff. at ¶26. Each facet of the Notice Program was timely and properly accomplished. *Id*. at ¶28; Ex. D, Turner Affidavit; and Ex. E, Publisher's Aff. Nine

thousand four hundred and forty-six (9,446) Full Notices were mailed to Class Members. *See* Ex. B, Roberts Aff. ¶29; Ex. D, Turner Affidavit at ¶2. The addresses used were the last known addresses appearing in the records maintained by the County. The Parties believe that in providing notice in this manner they provided actual, individual notice to every taxpayer who can be located that may be entitled to a refund under the issues raised in this Lawsuit. *See e.g., Holman v. Student Loan Xpress, Inc*., 2009 WL 4015573, at *6 (M.D. Fla. November 19, 2009) (approving notice by first class mail to most recent known address). In any event, the Constitution of the United States does not require that each individual member receive actual notice of a proposed settlement. *See Juris v. Inamed Corp*., 685 F.3d 1294, 1318 (11th Cir. 2012).

In addition, Class Counsel's phone number was provided in the Full Notice, the Publication Notice, and on the Settlement Website for Class Members to call with questions. Approximately twenty (20) phone calls have been handled to date. *See* Ex. B, Roberts Aff. at ¶33. The response has been uniformly in favor of the Settlement. *Id*.

ii. The notice was reasonably calculated to inform class members of their rights.

The Court-approved Full Notice satisfied due process requirements because it described the Lawsuit and the substantive claims and contained information reasonably necessary for Class Members to make a decision regarding objecting to the Settlement Agreement. *See generally Lunsford*, 2014 U.S. Dist. LEXIS 200716. The Full Notice, among other things, defined the Class and described the releases provided the County under the Settlement Agreement, how the refunds will be calculated, and the proposed distribution method. The Full Notice further informed Class Members of their right to object, the procedures and deadline for doing so, and the time and place of the Final Approval Hearing. The Full Notice, the Publication Notice, and the Notice posted on the Settlement Website – all written in plain English – told the Class Members where they could

get more information on the Settlement Agreement, *i.e.*, the Settlement Website. The Settlement Website contained copies of relevant filings from the Lawsuit that could be downloaded by Class Members, including the Full Notice, the Settlement Agreement, the Preliminary Approval Order, and other important Court documents.

The Court-approved Notice Program was therefore reasonably calculated to apprise Class Members of the Settlement Agreement and afford them an opportunity to comment or present their objections. As discussed above, the Notice Program involved notice by mail, publication, and online notification. Any Class Member who wished to express comments or objections had ample opportunity to do so. The Notice Program clearly satisfies the requirements of O.C.G.A. § 9-11-23 as well as due process.

III. THE COURT SHOULD CERTIFY THE SETTLEMENT CLASSES

The Court previously found that the Settlement Class met all of the requirements of O.C.G.A. § 9-11-23(a) and O.C.G.A. § 9-11-23(b)(1) and (b)(2). *See* Preliminary Approval Order, at ¶5; Motion and Supporting Memorandum of Law for Preliminary Approval of Class Action Settlement, Preliminary Certification of Settlement Class, Approval of Notice Program and to Schedule Final Approval Hearing filed on June 23, 2025, at Section II(B). Nothing has changed regarding the application of the O.C.G.A. § 9-11-23 factors to this Lawsuit since the Preliminary Approval Order was signed on June 26, 2025. For the reasons already considered by the Court, Named Plaintiff requests that the Court confirm its preliminary decision and finally certify the Settlement Class.

CONCLUSION

For the reasons set forth herein, and in the Court's Preliminary Approval Order, the Plaintiff requests that the Court grant this Motion, finally certify the Settlement Class, and enter the Final Approval Order attached hereto as **Exhibit "F"**.

Respectfully submitted this the 11th day of August, 2025.

Exhibit "A"

SETTLEMENT AGREEMENT AND RELEASE

WHEREAS, on March 15, 2023, Steven Schreck ("Schreck") filed a putative class action in the Superior Court of Brooks County, Georgia entitled *Steven Schreck v. Brooks County, Georgia, Civil Action No. 23CV00067*, asserting individual and class claims for: (i) refunds under O.C.G.A. § 48-5-380 of fees assessed, charged, and/or collected by Brooks County pursuant to the Brooks County *Ordinance Regulating the Assessment of Fees for the Fire Protection Services in Brooks County* Resolution 2014-02 (the "Ordinance") on the basis that such fees allegedly constituted an illegal tax; (ii) a declaration that the above referenced fees that Brooks County assessed, charged, and/or collected pursuant to the Ordinance are an illegal tax; (iii) an injunction barring Brooks County from assessing, charging, or collecting such fees in the future; (iv) a refund claim on the basis that such fees were illegally and erroneously levied and collected in violation of the due process and equal protection clauses of the Constitution of the State of Georgia; (v) a claim for attorneys' fees under O.C.G.A. § 13-6-11; and (vi) a claim for prejudgment interest;

WHEREAS, on October 20, 2023, Schreck filed his *Named Plaintiff's First Amended Verified Class Action Complaint*;

WHEREAS, on April 18, 2024, Schreck filed his *Named Plaintiff's Second Amended Verified Class Action Complaint*;

WHEREAS, on October 29, 2024, Schreck filed his *Named Plaintiff's Third Amended Verified Class Action Complaint*;

WHEREAS, Schreck filed motions for class certification;

WHEREAS, the County filed motions to dismiss;

WHEREAS, the motions for class certification and motions to dismiss remain pending;

WHEREAS, the parties have negotiated at arm's length to reach this Settlement Agreement and Release (the "Agreement"), which, if approved by the Court, shall settle and compromise the Claims, and all Settlement Class Members' Released Claims against the Released Parties on the terms set forth herein;

NOW, THEREFORE, the undersigned parties agree to settle the Claims, including the Settlement Class Members' claims, subject to Court approval, on the following terms:

SECTION 1 (DEFINITIONS)

For purposes of this Agreement, the following definitions shall apply:[1]

1. "Cash Consideration" or "Fire Fee Refund" means the amount of money each Settlement Class Member shall receive as contemplated in this Agreement.

[1] In the event that the Agreement is not fully and finally approved for any reason, neither Plaintiff, the Settlement Class, Class Counsel, nor the City shall be bound by these definitions or other provisions of this Agreement and neither Plaintiffs, the Settlement Class, Class Counsel, nor the City shall use the definitions contained within this Agreement as evidence in support of any argument or position in any motion, brief, hearing, appeal or otherwise, except for proceedings related to the enforcement of or the defense of this Agreement.

Basic Information

1. What is the purpose of this Notice?

The purpose of this Notice is to inform you of (a) the existence of a class action lawsuit; and (b) the proposed settlement agreement (the "Settlement Agreement") which settles the lawsuit (the "Settlement"). The Court authorized this Notice because you have a right to know about the Settlement Agreement which settles this class action lawsuit before the Court decides whether to give "final approval" to the Settlement. This Notice explains the nature of the lawsuit that is subject of the Settlement and your legal rights and options.

The class action lawsuit is pending in the Superior Court of Brooks County, Georgia, known as *Steven Schreck v. Brooks County, Georgia* (the "Lawsuit").

2. The Plaintiff's allegations and contentions in this Lawsuit.

This Lawsuit alleges that Defendant Brooks County (the "Defendant" or the "County") levied and collected an illegal tax in the form of Fire Fees from 2018 to 2025.

The Plaintiff further contends the following:

The Fire Fee is based on the payer's ability to pay. That is, the payer's ownership of real property.

The Fire Fee is mandatory for all property owners in the County. The mandatory nature of the Fire Fee is evidenced by the fact that it is included on all tax bills.

The Fire Fee is a mechanism the County is using to raise general revenue for fire protection services rather than a charge for a particular service. According to the Brooks County Ordinance Regulating the Assessment of Fees for the Fire Protection Service in Brook County (the "Fire Fee Ordinance"), the Fire Fee "will allow for the hiring of personnel, purchase of fire suppression equipment, the distribution of the water and the provision of hydrants…; to provide funds necessary for the maintenance of the Fire Protection System; [and] to provide funds for the enforcement of" the Fire Fee Ordinance. This is evidence that the Fire Fee is a tax.

The Fire Fee is assessed by the County without regard to direct benefits that may inure to the Subject Property or to Named Plaintiff or to the prospective class members or to the properties of the prospective class members.

The Fire Fee is not assessed in a manner whereby the payment is based upon the Subject Property's contribution or the contribution of the prospective class member's property to the problem. That is, a property owner may pay the Fire Fee year after year and never utilize the fire protection services.

The payer of the Fire Fee receives no particularized or enhanced service different from the nonpayer despite having paid the Fire Fee. The fire protection services funded through the payment of the Fire Fee benefit the general public in precisely the same manner that the services benefit the payer of the Fire Fee.

The Fire Fee is not calculated in a manner whereby Named Plaintiff or the prospective class members are reasonably paying for services rendered or to be rendered.

Therefore, Named Plaintiff contends that the Fire Fee is an illegal tax to fund core governmental functions, i.e., fire fighting services and firefighting operations. Defendant Brooks County denies that such Fire Fees constitute unlawful taxes.

Under the Georgia Constitution and Georgia law, taxation of property is required to be ad valorem. That is, property must be assessed based upon the value of the property not based upon a rate for the square footage of all Structures with a minimum and maximum amount charged based on the type of Structure. See Hutchins, et la. v. Howard, et al., 211 Ga. 830, 89 S.E. 2d 183, 186 (1955) ("Taxation on all real and tangible personal property subject to be taxed is required to be ad valorem – that is, according to value, and the requirement in the Constitution that the rule of taxation shall be uniform, means that all kinds of property of the same class not absolutely exempt must be taxed alike, by the same standard of valuation, equally with other taxable property of the same class, and coextensively with the territory to which it applies; meaning the territory from which the given tax, as a whole, is to be drawn.").

Rather than assessing the Fire Fee based on the value of property, the County assesses the Fire Fee in the form of a flat fee. Therefore, the Fire Fee is an illegal tax not authorized by the Georgia Constitution or by Georgia law and Named Plaintiff and the prospective class members are entitled to refunds for the illegally assessed and collected taxes under O.C.G.A. § 48-5-380 (the "Refund Statute").

Named Plaintiff filed this Lawsuit on behalf of itself and all taxpayers similarly situated who own or owned parcels in Brooks County and were assessed and paid Fire Fees for 2018, 2019, 2020, 2021, 2022, 2023, 2024, or 2025.

As noted in the heading of this section, this section of the Notice contains Plaintiff's allegations and contentions. The County disputes Plaintiff's contentions and allegations, denies that the Fire Fee constitutes an illegal tax, does not admit any liability or wrongdoing, and agreed to this settlement solely to avoid the cost and uncertainty of continued litigation.

3. Why is this Lawsuit a class action?

In a class action, one or more people called class representatives or representative plaintiffs sue on behalf of all people who have similar claims. Together, all of these people are called a class and the individuals are called class members. One court resolves the issues for all class members.

4. Why is there a Settlement?

The Court has not decided in favor of Named Plaintiff or Brooks County. Instead, both sides have agreed to a Settlement. By agreeing to the Settlement, the Parties avoid the costs and uncertainty of a trial and related appeals and Class Members receive the benefits described in this Notice. The "Class Representative" appointed to represent the Class and the attorneys for the Class ("Class Counsel", see Question No. 15) think that the Settlement is best for all Class Members. Brooks County denies all liability and wrongdoing and does not admit that the Fire Fees were unlawful. This Settlement is a compromise and does not constitute a judgment against

the County.

Who is in the Settlement?

5. Am I part of the Class?

You are a member of the Class if you are or were an owner of a property in Brooks County and were assessed and paid Fire Fees for 2018, 2019, 2020, 2021, 2022, 2023, 2024 or 2025 (the "Class Period") or if you paid Fire Fees on someone else's behalf during the Class Period.

6. What if I am still not sure if I am included in the Class?

After the Administrator calculates the individual refunds for the Class Members, the Class Members' names who are determined to be entitled to refunds along with the refund each will receive will be posted on the Settlement Webpage on Brooks County's website as described in Question No. 25. You can visit the Settlement Webpage on the Brooks County's website (***FILL IN URL OF SETTLEMENT WEBPAGE)*** where you can search for your name and/or property for which you believe you may be entitled to a refund.

You can also call Class Counsel at (912) 638-5200 to get help.

The Proposed Settlement

7. What are the Settlement Benefits?

If the Settlement is approved by the Court at or after the Fairness Hearing described in Question No. 20, Brooks County has agreed to create an Total Cash Consideration in the amount of $1,000,000.00 (the "Total Cash Consideration").

If the Court finally approves this Settlement and if you are entitled to a refund for Fire Fees paid for any of the years 2018, 2019, 2020, 2021, 2022, 2023, 2024, or 2025 you will receive a refund calculated as explained in Question No. 11.

The money in the Total Cash Consideration will only be distributed if the Court finally approves this Settlement.

8. How do I receive my refund?

Following the Final Approval of the Settlement Agreement settling this Lawsuit (described in Question No. 20), the Administrator will calculate the individual refund amounts. After the Administrator calculates the individual refunds for the Class Members, the Class Members' names along with the refund each will receive will be posted on the Settlement Webpage on Brooks County's website along with information about how a Class Member can object to individual refund amounts. As deemed appropriate by the Court appointed Administrator, updates as to timing of the individual Class Member refund calculation and payment will also be posted on the Settlement Webpage on Brooks County's website.

The Administrator will divide the Class Members into the following categories for purposes of distributing the refunds:

Category 1 Class Members: Class Members still owning the property for which a refund is determined to be owed.

Category 2 Class Members: Class Members who no longer own the property for which a refund is determined to be owed.

Missing Class Members: Class Members who are not listed on the Settlement Webpage but believe they are entitled to a refund based on payment of Fire Fees.

Alternate Class Members: Individuals or entities who paid Fire Fees on behalf of a property owner during the Class Period.

If you are a Category 1 Class Member the refund will be mailed without the need for you to take any action. (See Question No. 14 for more information). If you are a Category 2 Class Member you will be sent a Claim Form at what is believed to be your current mailing address or you can be obtain the Claim Form from the Settlement Webpage on Brooks County's Website. If you receive a Claim Form or are listed as a Category 2 Class Member, you will need to follow the directions on the Claim Form, certifying that you are the same taxpayer for which the refund has been calculated. You will have forty five (45) days to return the Claim Form. (See Question No. 14 for more information).

If you are a Missing Class Member or an Alternate Class Member, you must obtain and submit a Claim Form from the Settlement Webpage on Brooks County's website. The Claim Form will require you to certify that you paid Fire Fees during the Class Period and provide documentation supporting your refund eligibility. You will have forty five (45) days to complete and return the Claim Form. The Administrator will review your submission, and if eligible, your refund will be processed as described in Question No. 14.

9. What if I receive a Claim Form and do not follow the instructions or do not timely return the form?

Certain Class Members are required to submit a Claim Form to receive a refund. These include:

- Category 2 Class Members (Class Members who no longer own the property for which the refund is determined to be owed);
- Missing Class Members (those not listed but who believe they are entitled to a refund); and
- Alternate Class Members (those who paid Fire Fees on behalf of someone else).

. If you fall into one of these categories and fail to follow the instructions on the Claim Form and do not submit it on or before the date provided on the Claim Form you will not receive your refund. Sending in a Claim Form late will be the same as failing to send in the required Claim Form.

10. What if I am not listed on the Settlement Webpage as a Class Member?

As explained in Question No. 8, following the Final Approval of the Settlement Agreement settling this Lawsuit (described in Question No. 20), the Administrator will calculate the individual refund amounts and post the Class Members and the refunds each will receive on the Settlement Webpage on Brooks County's website. There will be a Claim Form on that webpage for any taxpayer not identified as a Class Member by the Administrator ("Missing Class Member") to download, complete and submit according to the directions provided. Additionally, there will be a Claim Form for those who paid Fire Fees but do not own the property for which the Fire Fees were paid who believe they are entitled to receive a refund ("Alternate Class Member") to download, complete and submit according to the directions provided. **IF YOU ARE A MISSING CLASS MEMBER OR ALTERNATE CLASS MEMBER YOU MUST TIMELY COMPLETE AND RETURN THE CLAIM FORM IN ORDER TO BE ELIGIBLE FOR A REFUND.** The Administrator will review the claim and notify the taxpayer of their findings. The taxpayer will have fifteen (15) days to object to the Administrator's findings. Objections will be heard by a Special Master. The Special Master's findings will be final and binding.

11. How are the refunds calculated?

Following Final Approval of the Settlement Agreement, the Administrator is directed to identify the Classes and Class Members and determine the refunds owed.

"Class Member" or "Class Members" means a member or members of the Classes.

The Administrator will identify the Class Members who are entitled to refunds as follows:

The Administrator shall be given full access to the records of and full cooperation by Defendant's departments including, but not limited to, Information Technology, the Board of Assessor's Office and Tax Commissioner's Office in order to identify Class Members, confirm the identity of Class Members, obtain missing information for taxpayers who paid the Fire Fee in order to determine whether they are Class Members and to calculate the individual refunds owed to Class Members.

The resulting calculation shall be the refund to each Class Member (the "Calculated Refund"). It is estimated that the Total Cash Consideration will provide sufficient funding to provide refunds of 20-50% of the Fire Fees paid by each Class Member during the Class Period.

The identification of Class Members entitled to refunds and the amount of the individual refunds due to such Class Members is to be completed within nine (9) months of the entry of the Final Order after the Final Approval Hearing described in Question No. 20.

12. How much will my refund be?

If you are entitled to a refund, your refund will be calculated as explained in Question No. 11. At this time, it is not known how much each individual refund will be. The Administrator will calculate the individual refund amounts after the Final Approval Hearing (see Question No. 20) and after the Court finally approves the Settlement. See Question No. 14 regarding timing of payment.

13. What am I giving up as part of the Settlement?

If the Settlement is finally approved by the Court after the Final Approval Hearing, you will give up your right to sue Brooks County and other persons ("Defendant Releasees") as to all claims arising out of any and all claims for payment of taxes related to or arising out of the assessment of the Fire Fees as alleged in the Lawsuit from 2018 to 2025 whether in law or equity (the "Released Plaintiff and Class Member Claims").

The full text of the Release is set forth in Question No. 26. Additionally, a copy of the Settlement Agreement can be found on the Settlement Webpage on Brooks County's website. *You should carefully read the Release and if you have any questions about the release, you may contact Class Counsel at (912) 638-5200.*

14. When will I get paid?

On _____, the Court will hold a hearing to decide whether to approve the Settlement. If the Court approves the Settlement, the Claims Administrator will begin to verify the individual Class Members who are entitled to refunds and determine the individual amount of the refund to be paid to each Class Member.

The Claims Administrator will endeavor to complete the individual Settlement Class Member refund calculations within nine (9) months of the entry of the Final Order after the Final Approval Hearing described in Question No. 20.

The Total Cash Consideration shall be paid to a Qualified Settlement Fund under Section 468B of the Internal Revenue Code to be identified and established prior to and to be specified in the Final Order (the "Schreck QSF") to carry out the payment of refunds to individual Class Members. The Final Order will appoint an administrator of the Schreck QSF (the "Schreck QSF Administrator").

Within thirty (30) days of the later of the expiration of the period for objecting to individual refund amounts or a final ruling by the Special Master on any individual refund calculation, the Administrator shall identify to the Schreck QSF Administrator the amount of refund due each taxpayer and the address to which the refund is to be mailed the Category 1 Class Members. The Schreck QSF Administrator shall issue refund checks from available funds in the Total Cash Consideration to the Category 1 Class Members within thirty (30) days of receipt of such notice. Within thirty (30) days following the expiration of the period to submit Claims Forms, the

Administrator shall identity to the Schreck QSF Administrator Category 2 Class Members, Missing Class Members, and Alternate Class Members who have properly filled out and returned claim forms, the amount of refund due each taxpayer and the address to which the refund is to be mailed. Refunds for Missing Class Members and Alternate Class Members will be issued on the same timetable as for Category 2 Class Members, subject to confirmation by the Administrator and any final rulings by the Special Master.

Please note that there is often a delay after a Settlement like this is approved. For example, there may be appeals of the Court's Order approving the Settlement. The relief to the Class Members provided for by this Settlement may not be implemented until appeals are finished and the Court's Order finally approving this Settlement is upheld. Because of this there could be a delay in payment of the individual refund amounts as provided for in the Settlement.

Please be patient. Updates as deemed necessary will be posted on the Settlement Webpage on Brooks County's website.

The Lawyers Representing You

15. Do I have a lawyer in this Lawsuit?

Yes. The Court decided that the law firm of Roberts Tate, LLC is qualified to serve as Class Counsel and to represent you and all Class Members.

16. Should I get my own lawyer?

You do not need to hire your own lawyer because Class Counsel is working on your behalf. But if you want your own lawyer, you may hire one at your own cost.

17. How will the lawyers get paid and will there be incentive payments?

Class Counsel has not received any fees for the lawyer and professional time they have devoted to this Lawsuit, nor have they received any reimbursement for any of the out-of-pocket expenses incurred. For work done through the final approval of this Settlement, Class Counsel will apply to the Court for an award of attorneys' fees not to exceed 40% of the Total Cash Consideration plus documented out of pocket expenses incurred from the Total Cash Consideration (the "Fee Petition"). Brooks County takes no position on the Fee Petition, will not oppose the Fee Petition and intends to defer such decision to the judgment and discretion of the Court.

In addition, Class Counsel will ask the Court to award to the Named Plaintiff, Steven Schreck, a class service payment from the Total Cash Consideration in recognition of his efforts on behalf of the Class (the "Class Service Petition"). Named Plaintiff was prepared to appear and testify at trial on behalf of the Class. Brooks County takes no position on the Class Service Petition, will not oppose the Class Service Petition and intends to defer such decision to the judgment and discretion of the Court.

The amounts to be awarded as attorney's fees, expenses and Named Plaintiff's service

award must be approved by the Court. Class Counsel will file the Fee Petition and the Class Service Petition at least twenty (20) days prior to the Final Approval Hearing. You can object to the Fee Petition and the Class Service Petition in compliance with the instruction in Question No. 18.

A copy of the Fee Petition and the Class Service Petition will be posted on the Settlement Webpage on Brooks County's website the same day that it is filed with the Court.

Supporting or Objecting to the Settlement

18. How do I tell the Court that I like or do not like the Settlement?

If you are a Class Member, you can tell the Court that you like the Settlement or you can tell the Court that you do not agree with the Settlement or some part of the Settlement. You can object to the entire Settlement or any part of the Settlement. You can give reasons why you do not think that the Court should approve the Settlement. You can also object to the Fee Petition or the Class Service Petition. You can give reasons for the objection and why you think the Court should not approve the Fee Petition or the Class Service Petition.

In order for the Court to consider your written comments or objections, all objections to the Settlement Agreement settling this Lawsuit or to the Fee Petition or the Class Service Petition must be mailed to the Clerk of Court, Plaintiff's Counsel and Defendant's Counsel. For an objection to be considered by the Court, the objection must be postmarked on or before and sent to the Court, Class Counsel and Counsel for Defendant at the following addresses:

Court	Clerk of the Superior Court of Brooks County 1 Screven Street, Suite 6 Quitman, Georgia 31643
Class Counsel	James L. Roberts, IV, Esquire Roberts Tate, LLC Post Office Box 21828 St. Simons Island, Georgia 31522
Counsel for Defendant	Bradley J. Watkins, Esquire Brown, Readdick, Bumgartner, Carter, Strickland & Watkins Post Office Box 220 Brunswick, Georgia 31521

Additionally, for an objection to be considered by the Court, the objection must also set forth:

a. The name of the Lawsuit;

b. Your full name, address and telephone number;
c. An explanation of the basis upon which you claim to be a Class Member;
d. All grounds for the objection, accompanied by any legal support for the objection known to you or your counsel;
e. The number of times the you have objected to a class action settlement within the five (5) years preceding the date on which you file the objection, the caption of each case in which you have made such objection, and a copy of any orders or opinions to or ruling upon your prior such objections that were issued by any court in each listed case;
f. The identity of all counsel who represented you, including any former or current counsel who may be entitled to any compensation for any reason related to the objection to the Settlement Agreement settling this Lawsuit or to Fee Petition and Class Service Petition;
g. The number of times your counsel and/or counsel's law firm have objected to a class action settlement within the last five (5) years preceding the date you file the objection, the caption of each case in which the counsel or the firm has made such objection, and a copy of any order or opinions related to or ruling upon counsel or the firm's prior such objections that were issued by any court in each listed case;
h. Any and all agreements that relate to the objection or the process of objecting – whether written or verbal – between you or your counsel and any other person or entity;
i. The identity of all counsel representing you who will appear at the Final Approval Hearing;
j. A list of all persons which will be called to testify at the Final Approval Hearing in support of the objection;
k. A statement confirming whether you intend to personally appear and/or testify at the Final Approval Hearing; and
l. Your signature (your attorney's signature is not sufficient).

The filing of an objection may allow Class Counsel or Counsel for Brooks County to notice the objecting party to take his or her deposition at an agreed upon location before the Final Approval Hearing, and to seek any documentary evidence or other tangible things that are relevant to the objection. Failure of the objector to comply with the discovery requests may result in the Court striking the objector's objection and otherwise denying that person the opportunity to make an objection or be further heard. The Court reserves the right to tax the costs of any such discovery to the objector or the objector's counsel should the Court determine that the objection is frivolous or is made for an improper purpose.

Any Class Member who fails to object in the manner set forth above will be deemed to have forever waived his or her objections.

19. Can I call the Court or the Judge's office about my objections?

No. If you have questions, you may visit the Settlement Webpage on Brooks County's website (***INSERT URL OF SETTLEMENT WEBPAGE***) for more information about the settlement. You may also call Class Counsel.

20. When and where will the Court decide to approve the Settlement?

The Court will hold a Final Approval Hearing at ___:00 __.m. on _____ at the Brooks County Courthouse. After the Final Approval Hearing the Court will decide whether to finally certify the Settlement Class and whether to approve the Settlement. The Court may also decide how much to pay Class Counsel and whether to award a class service payment to Named Plaintiff. Additionally, if no objections are filed, the Court may elect to conduct the hearing telephonically or virtually without further notice to the Class. We do not know how long it will take the Court to make its decision.

Important! The time and date of the Final Approval Hearing may change without additional mailed or published notice.

21. Why is there a hearing?

At the Final Approval Hearing the Court will consider whether to finally certify the Settlement Classes and whether the Settlement is fair, reasonable and adequate. If there are objections that were properly submitted (see Question No. 18) the Court will consider them. At its discretion, the Court may listen to people who have properly filed objections (see Question No. 18) and have asked to speak at the hearing.

22. Do I have to come to the hearing?

No. Class Counsel will present the Settlement Agreement settling this Lawsuit to the Court. You or your own lawyer are welcome to attend at your expense, but you are not required to do so. If you make an objection, you do not have to come to Court to talk about it. As long as you mailed or otherwise submitted your written objection according to the instructions (including the deadlines) in Question No. 18, including all of the information required, the Court will consider it.

23. May I speak at the hearing?

You may ask the Court for permission to speak at the Final Approval Hearing. To do so, you must mail or otherwise submit an objection according to the instructions (including the deadlines) in Question No. 18. The Court, in its discretion, may determine which, if any, of the Class Members who properly submitted an objection and requested to be heard at the Final Approval Hearing will be entitled to appear and be heard.

If you wish to present evidence at the Final Approval Hearing you must identify any witnesses you may call to testify and any exhibits you intend to introduce as evidence at the Final Approval Hearing in your written objection (see Question No. 18).

24. Can I exclude myself from the Settlement?

No. You do not have the right to exclude yourself from the Settlement, but you do have the right to object to the Settlement in writing (see Question No. 18).

26. What is the full text of the Release for the Settlement?

A. Released Claims by Named Plaintiff and Class Members

The following is the full text of the Release set forth in the Settlement Agreement. All capitalized terms used in this Section 26 have the same meanings as those defined in the Settlement Agreement:A. Upon the Effective Date, the Schrek Lawsuit and all the Consolidated Claims therein, shall be dismissed with prejudice pursuant to this Settlement, with each party to bear his, her or its own fees, costs, and expenses except as set forth in this Agreement. Notwithstanding such dismissal, the Court shall retain jurisdiction to enforce and administer the Settlement and the Final Approval Order and Judgment.

B. As of the Effective Date and pursuant to the Final Approval Order and Judgment, the Releasing Parties shall be deemed to have fully, finally, and completely released the Released Parties from the Released Claims.

C. The Parties acknowledge that it is possible that unknown losses or claims exist or might exist or that present losses may have been underestimated in amount. As of the Effective Date and pursuant to the Final Approval Order and Judgment, the Releasing Parties are deemed to finally, fully, and forever expressly waive and relinquish any and all provisions, rights, and benefits with respect to the released Claims.

D. The Releasing Parties are also deemed to acknowledge and understand that they may

later discover claims presently unknown or unsuspected, or facts in addition to or different from those which they now believe to be true with respect to the matters released herein and hereby. Nevertheless, it is the intention of the Releasing Parties to fully, finally, and forever settle and release the Released Claims with the Released Parties that exist hereafter may exist or might have existed.

E. This Agreement, upon the Effective Date is intended to and shall fully and finally release the Releasing Parties' Released Claims. Each Releasing Party hereby (1) releases the Released Parties from the Released Claims and (2) covenants and agrees that he, she, or it shall not sue or otherwise seek to establish or impose liability against any Released Party based, in whole or in part, on any of the Released Claims. Released Parties do not agree or admit, and nothing in this Agreement establishes, implies, or can be used to suggest, that Plaintiff, the Releasing Parties, or any other persons or entities have any valid claims against the Released Parties.

F. The Releasing Parties covenant that, after the Effective Date of this Agreement, they shall not seek to recover against any of the Released Parties for any of the Released Claims. This covenant applies to all Releasing Parties, even if a Releasing Party does not receive any Cash Consideration because, among other things, he/she/it did not properly complete or timely submit the Claims Form, or for any other reason.

B. Effect of Failure to Grant Final Approval

In the event that the Court fails to enter an Order granting Final Approval to this Settlement Agreement, the Lawsuit shall resume, this Settlement Agreement and any Order granted pursuant to this Settlement Agreement, including but not limited to the Preliminary Approval Order shall have no res judicata or collateral estoppel effect and shall be of no force or effect, and the Parties' rights and defenses shall be restored without prejudice as if this Settlement Agreement had never been entered into unless either: (1) Named Plaintiff and Defendant agree in writing to a modification of the Settlement Agreement and obtain approval of the Amended Settlement Agreement with such agreed to modification, or (2) Named Plaintiff and Defendant successfully obtain reversal of the decision denying entry of the Order granting Final Approval to this Settlement Agreement after reconsideration or appellate review. In the event that the Court fails to enter an Order granting Final Approval of this Settlement Agreement, the terms of this Settlement Agreement shall not be admissible for any purposes in this action or any other action against County's regarding Fire Fees.

C. Continuing Jurisdiction

The Court shall retain jurisdiction over the interpretation and implementation of this Settlement Agreement, as well as any matters arising out of, or related to, the interpretation or implementation of this Settlement Agreement.

PRELIMINARY APPROVAL ORDER

WHEREAS, Plaintiff Steven Schreck (the "Named Plaintiff"), individually and on behalf of all persons similarly situated and Defendant Brooks County (the "County" or the "Defendant") have agreed to a settlement of the above referenced matter (the "Lawsuit"); and

WHEREAS, this matter is before the Court on the Joint Motion and Supporting Memorandum of Law for Preliminary Approval of Class Action Settlement, Preliminary Certification of Settlement Class, Approval of Notice Program and to Schedule of Final Approval Hearing (the "Joint Motion") pursuant to O.C.G.A. § 9-11-23(e) in which the Court has been asked (1) to give preliminary approval to the proposed Settlement Agreement (the "Settlement Agreement") entered into by Named Plaintiff and Defendant, through counsel, which, together with any exhibits thereto, sets forth the terms and conditions of the proposed resolution of this Lawsuit, and to authorize certain activities pursuant to the Settlement Agreement and O.C.G.A. § 9-11-23 and (2) to provisionally certify the settlement Class;

WHEREAS, the Court having considered the entire record of this Lawsuit, including the filing in support of preliminary approval, the Settlement Agreement and any exhibits thereto, and the arguments and representations of counsel, and good cause appearing in the record,

IT IS ORDERED AND ADJUDGED as follows:

1. The Court has jurisdiction over the subject matter and parties.

2. Unless otherwise specified herein, all capitalized terms used in this Order shall have the meanings ascribed to them in the Settlement Agreement, which is incorporated herein by reference.

3. Venue is proper.

Provisional Class Certification
And
Appointment of Class Representative and Class Counsel

4. In deciding whether to provisionally certify a settlement, a court must consider the same factors that it would consider in connection with a proposed litigation class – i.e., all O.C.G.A. §9-11-23(a) factors and at least one of the requirements under O.C.G.A. §9-11-23(b) must be satisfied – except that the court need not consider the manageability of a potential trial, since the settlement if approved, would obviate the need for a trial. See Amchem Products, Inc. v. Windsor, 521 U.S. 591, 620 (1997).

5. The Court finds, for settlement purposes only, that the O.C.G.A. §9-11-23 factors are present and thus certification of the proposed settlement class is appropriate. The Court, therefore, provisionally certifies the Settlement Class, which consists of all individuals or entities who paid Fire Fees during the Settlement Class Period, as defined in the Settlement Agreement. The Settlement Class includes Category 1 Class Members,

Category 2 Class Members, Missing Class Members, and Alternate Class Members, as those terms are defined in the Settlement Agreement.

6. The Court specifically determines that, for settlement purposes, the proposed Settlement Class meets all the requirements of O.C.G.A. §9-11-23(a) and O.C.G.A. §9-11-23(b)(1), and O.C.G.A. §9-11-23(b)(2) namely that the Settlement Class is so numerous that joinder of all members is impractical; that there are common issues of law and fact; that the claims of the class representative are typical of absent class members; that the class representative will fairly and adequately protect the interests of the Settlement Class, as they have no interests antagonistic to or in conflict with the Settlement Class and have retained experienced and competent counsel to prosecute this Lawsuit; that the prosecution of separate actions by or against individual class members would create a risk of inconsistent or varying adjudications with respect to individual class members which would establish incompatible standards of conduct for the party opposing the class or adjudications with respect to individual class members which would as a practical matter be dispositive of the interests of the other members not parties to the adjudications or substantially impair or impede their ability to protect their interests; that Defendant opposing class members has acted or refused to act on grounds generally applicable to each class member, thereby making appropriate final injunctive relief or corresponding declaratory relief with respect to members of the Class.[1]

[1] Additionally, while the Court has elected to only certify the Class under O.C.G.A. § 9-11-23(b)(1) and O.C.G.A. § 9-11-23(b)(2), the Court also expressly finds that: (1) certification under O.C.G.A. § 9-11-23(b)(3) would be appropriate as the questions of law or fact common to the members of the class predominate over questions affecting only individual members, satisfying the requirements of O.C.G.A. § 9-11-23(b)(3) and (2) a class action is superior to other methods available for the fair and efficient adjudication of this controversy satisfying the requirements of O.C.G.A. § 9-11-23(b)(3).

7. The Court appoints Named Plaintiff Steven Schreck as class representative.

8. The Court appoints Roberts Tate, LLC as Class Counsel. The Court finds that Class Counsel is experienced and will adequately protect the interests of the Settlement Class.

9. The Court appoints Terry D. Turner, Jr. of Gentle Turner & Benson, LLC, 501 Riverchase Parkway East, Suite 100, Hoover, Alabama 35244 as Claims Administrator to complete the Notice Program set forth herein.

Preliminary Approval of the Settlement

10. The Court does hereby preliminarily approve the Settlement Agreement finding it to be fair, reasonable and adequate, subject to further consideration at the Final Approval Hearing described below.

11. The Settlement Agreement includes a sufficient release of claims by the Releasing Parties against the Released Parties. The Settlement Agreement establishes a process for the identification of Settlement Class Members and the calculation of individual refunds and a methodology for the refund payment process. The Court preliminarily approves the process for the identification of Settlement Class Members and the calculation of individual refunds set forth in the Settlement Agreement. The Court also preliminarily approves the methodology for the refund payment process set forth in the Settlement Agreement.

Final Approval Hearing

12. The Court directs that a final approval hearing (the "Final Approval Hearing") be held in the Brooks County Courthouse at _____ on _____ to rule: (i) whether the proposed Settlement Class should be finally

certified for settlement purposes pursuant to O.C.G.A. §9-11-23(e); (ii) whether the Settlement set forth in the Settlement Agreement should be finally approved as fair, reasonable, adequate and in the best interest of the Settlement Class; (iii) whether the Settlement Agreement should be entered dismissing the Lawsuit against Defendant; (iv) whether Class Counsel's application for attorney's fees and expenses (the "Fee Petition") should be approved; (v) whether Class Representative's Service Award should be approved (the "Class Service Petition"); and (vi) on such other matters as may be appropriate in the implementation of this Settlement. The Court may adjourn the Final Approval Hearing or modify any of the dates set forth herein without further notice to the Class. Additionally, in the event that no objections are filed, the Court may elect to conduct the hearing telephonically or virtually

13. All papers of the Parties in support or opposition of the final approval of the Settlement Agreement shall be filed with the Court and served by overnight mail or hand delivery on or before seven (7) days before the Final Approval Hearing.

Approval of Notice and Notice Program

14. The Court orders that the notice of the Settlement Agreement and notice of the Final Approval Hearing be given, in the name of the Clerk of the Court, to the class members as follows (collectively referred to as the "Notice Program"):

a. The Administrator shall cause to be mailed by first class mail, within thirty (30) days of entry of this Order, to all Settlement Class Members to their last known addresses as appearing on the records maintained by the County, a copy of the notice (the "Full Notice") substantially in the form attached hereto as Exhibit "A";

b. The Administrator will within fifteen (15) days of entry of this Order post all Exhibits to this Motion together with copies of the Complaint, Second Amended Complaint, Third Amended Complaint and Preliminary Approval Order, this Agreement, and additional claim instructions and information on a single-purpose website dedicated to use by the Settlement Class (the "Settlement Website"). The URL to the Settlement Webpage will be included in the Full Notice to each Settlement Class Members as well as in the Publication Notice in The Quitman Free Press; and

c. The Administrator shall cause, as soon as practicable after entry of this Order, a notice to be placed in The Quitman Free Press (the "Publication Notice") substantially in the form attached hereto as Exhibit "B".

15. The Court approves the form and content of the Full Notice and the Publication Notice and the Notice Program, and finds:

a. The mailing and website posting of the Full Notice and the publication of the Publication Notice in the manner set forth in the Notice Program set forth in Paragraph 12 above: (i) constitutes the best notice practicable under the circumstances; (ii) is reasonably calculated, under the circumstances, to apprise the Settlement Class Members of the Settlement Agreement resolving this Lawsuit, the effect of the Settlement Agreement (including the claims released), the right to object to any aspect of the Settlement Agreement or the Fee Petition or the Class Service Petition and the right to appear at the Final Approval Hearing;

b. Constitutes due, adequate and sufficient notice to all persons entitled to receive notice of the Settlement Agreement; and

c. Satisfies the requirements of O.C.G.A. § 9-11-23, including due process and all other applicable law and rules.

Claim Forms and Forms to be Used in the Administration of the Settlement

16. The Court approves the form, content and use of the Claim Form for Category 2 Class Members attached hereto as Exhibit "C" for use by Class Members who no longer own property for which a refund is determined to be owed.

17. The Court approves the form, content and use of the Claim Form for Alternate Class Members attached hereto as Exhibit "D" who paid Fire Fees on property that they do not own and believe they are entitled to a refund of such amounts paid.

18. The Court approves the form, content and use of the Claim Form for Missing Class Member attached hereto as Exhibit "E" for use by taxpayers who believe that they are entitled to a refund but are not listed as a Class Member.

19. The Court approves the form, content and use of the Objection Form to Class Member attached hereto as Exhibit "F" for use by Settlement Class Members to object to the individual refund calculations.

20. The Court approve the form, content and use of the Address Update Form attached hereto as Exhibit "G" for use by Settlement Class Members to update their addresses.

21. The Court approves the form, content and use of the Notice of Completion attached hereto as Exhibit "H" for use by the Qualified Settlement Fund Administrator upon completion of the administration of the Settlement.

Objections by Settlement Class Members

22. The Court orders that Settlement Class Members may serve written objections to the Settlement Agreement or the Fee Petition or the Class Service Petition. Basic Information

1. What is the purpose of this Notice?

The purpose of this Notice is to inform you of (a) the existence of a class action lawsuit; and (b) the proposed settlement agreement (the "Settlement Agreement") which settles the lawsuit (the "Settlement"). The Court authorized this Notice because you have a right to know about the Settlement Agreement which settles this class action lawsuit before the Court decides whether to give "final approval" to the Settlement. This Notice explains the nature of the lawsuit that is subject of the Settlement and your legal rights and options.

The class action lawsuit is pending in the Superior Court of Brooks County, Georgia, known as *Steven Schreck v. Brooks County, Georgia* (the "Lawsuit").

2. The Plaintiff's allegations and contentions in this Lawsuit.

This Lawsuit alleges that Defendant Brooks County (the "Defendant" or the "County") levied and collected an illegal tax in the form of Fire Fees from 2018 to 2025.

The Plaintiff further contends the following:

The Fire Fee is based on the payer's ability to pay. That is, the payer's ownership of real property.

The Fire Fee is mandatory for all property owners in the County. The mandatory nature of the Fire Fee is evidenced by the fact that it is included on all tax bills.

The Fire Fee is a mechanism the County is using to raise general revenue for fire protection services rather than a charge for a particular service. According to the Brooks County Ordinance Regulating the Assessment of Fees for the Fire Protection Service in Brook County (the "Fire Fee Ordinance"), the Fire Fee "will allow for the hiring of personnel, purchase of fire suppression equipment, the distribution of the water and the provision of hydrants…; to provide funds necessary for the maintenance of the Fire Protection System; [and] to provide funds for the enforcement of" the Fire Fee Ordinance. This is evidence that the Fire Fee is a tax.

The Fire Fee is assessed by the County without regard to direct benefits that may inure to the Subject Property or to Named Plaintiff or to the prospective class members or to the properties of the prospective class members.

The Fire Fee is not assessed in a manner whereby the payment is based upon the Subject Property's contribution or the contribution of the prospective class member's property to the problem. That is, a property owner may pay the Fire Fee year after year and never utilize the fire protection services.

The payer of the Fire Fee receives no particularized or enhanced service different from the nonpayer despite having paid the Fire Fee. The fire protection services funded through the payment of the Fire Fee benefit the general public in precisely the same manner that the services benefit the payer of the Fire Fee.

The Fire Fee is not calculated in a manner whereby Named Plaintiff or the prospective class members are reasonably paying for services rendered or to be rendered.

Therefore, Named Plaintiff contends that the Fire Fee is an illegal tax to fund core governmental functions, i.e., fire fighting services and firefighting operations. Defendant Brooks County denies that such Fire Fees constitute unlawful taxes.

Under the Georgia Constitution and Georgia law, taxation of property is required to be ad valorem. That is, property must be assessed based upon the value of the property not based upon a rate for the square footage of all Structures with a minimum and maximum amount charged based on the type of Structure. See Hutchins, et la. v. Howard, et al., 211 Ga. 830, 89 S.E. 2d 183, 186 (1955) ("Taxation on all real and tangible personal property subject to be taxed is required to be ad valorem – that is, according to value, and the requirement in the Constitution that the rule of taxation shall be uniform, means that all kinds of property of the same class not absolutely exempt must be taxed alike, by the same standard of valuation, equally with other taxable property of the same class, and coextensively with the territory to which it applies; meaning the territory from which the given tax, as a whole, is to be drawn.").

Rather than assessing the Fire Fee based on the value of property, the County assesses the Fire Fee in the form of a flat fee. Therefore, the Fire Fee is an illegal tax not authorized by the Georgia Constitution or by Georgia law and Named Plaintiff and the prospective class members are entitled to refunds for the illegally assessed and collected taxes under O.C.G.A. § 48-5-380 (the "Refund Statute").

Named Plaintiff filed this Lawsuit on behalf of itself and all taxpayers similarly situated who own or owned parcels in Brooks County and were assessed and paid Fire Fees for 2018, 2019, 2020, 2021, 2022, 2023, 2024, or 2025.

As noted in the heading of this section, this section of the Notice contains Plaintiff's allegations and contentions. The County disputes Plaintiff's contentions and allegations, denies that the Fire Fee constitutes an illegal tax, does not admit any liability or wrongdoing, and agreed to this settlement solely to avoid the cost and uncertainty of continued litigation.

3. Why is this Lawsuit a class action?

In a class action, one or more people called class representatives or representative plaintiffs sue on behalf of all people who have similar claims. Together, all of these people are called a class and the individuals are called class members. One court resolves the issues for all class members.

4. Why is there a Settlement?

The Court has not decided in favor of Named Plaintiff or Brooks County. Instead, both sides have agreed to a Settlement. By agreeing to the Settlement, the Parties avoid the costs and uncertainty of a trial and related appeals and Class Members receive the benefits described in this Notice. The "Class Representative" appointed to represent the Class and the attorneys for the Class ("Class Counsel", see Question No. 15) think that the Settlement is best for all Class Members. Brooks County denies all liability and wrongdoing and does not admit that the Fire Fees were unlawful. This Settlement is a compromise and does not constitute a judgment against

the County.

Who is in the Settlement?

5. Am I part of the Class?

You are a member of the Class if you are or were an owner of a property in Brooks County and were assessed and paid Fire Fees for 2018, 2019, 2020, 2021, 2022, 2023, 2024 or 2025 (the "Class Period") or if you paid Fire Fees on someone else's behalf during the Class Period.

6. What if I am still not sure if I am included in the Class?

After the Administrator calculates the individual refunds for the Class Members, the Class Members' names who are determined to be entitled to refunds along with the refund each will receive will be posted on the Settlement Webpage on Brooks County's website as described in Question No. 25. You can visit the Settlement Webpage on the Brooks County's website (***FILL IN URL OF SETTLEMENT WEBPAGE)*** where you can search for your name and/or property for which you believe you may be entitled to a refund.

You can also call Class Counsel at (912) 638-5200 to get help.

The Proposed Settlement

7. What are the Settlement Benefits?

If the Settlement is approved by the Court at or after the Fairness Hearing described in Question No. 20, Brooks County has agreed to create an Total Cash Consideration in the amount of
$1,000,000.00 (the "Total Cash Consideration").

If the Court finally approves this Settlement and if you are entitled to a refund for Fire Fees paid for any of the years 2018, 2019, 2020, 2021, 2022, 2023, 2024, or 2025 you will receive a refund calculated as explained in Question No. 11.

The money in the Total Cash Consideration will only be distributed if the Court finally approves this Settlement.

8. How do I receive my refund?

Following the Final Approval of the Settlement Agreement settling this Lawsuit (described in Question No. 20), the Administrator will calculate the individual refund amounts. After the Administrator calculates the individual refunds for the Class Members, the Class Members' names along with the refund each will receive will be posted on the Settlement Webpage on Brooks County's website along with information about how a Class Member can object to individual refund amounts. As deemed appropriate by the Court appointed Administrator, updates as to timing of the individual Class Member refund calculation and payment will also be posted on the Settlement Webpage on Brooks County's website.

The Administrator will divide the Class Members into the following categories for purposes of distributing the refunds:

Category 1 Class Members: Class Members still owning the property for which a refund is determined to be owed.

Category 2 Class Members: Class Members who no longer own the property for which a refund is determined to be owed.

Missing Class Members: Class Members who are not listed on the Settlement Webpage but believe they are entitled to a refund based on payment of Fire Fees.

Alternate Class Members: Individuals or entities who paid Fire Fees on behalf of a property owner during the Class Period.

If you are a Category 1 Class Member the refund will be mailed without the need for you to take any action. (See Question No. 14 for more information). If you are a Category 2 Class Member you will be sent a Claim Form at what is believed to be your current mailing address or you can be obtain the Claim Form from the Settlement Webpage on Brooks County's Website. If you receive a Claim Form or are listed as a Category 2 Class Member, you will need to follow the directions on the Claim Form, certifying that you are the same taxpayer for which the refund has been calculated. You will have forty five (45) days to return the Claim Form. (See Question No. 14 for more information).

If you are a Missing Class Member or an Alternate Class Member, you must obtain and submit a Claim Form from the Settlement Webpage on Brooks County's website. The Claim Form will require you to certify that you paid Fire Fees during the Class Period and provide documentation supporting your refund eligibility. You will have forty five (45) days to complete and return the Claim Form. The Administrator will review your submission, and if eligible, your refund will be processed as described in Question No. 14.

9. What if I receive a Claim Form and do not follow the instructions or do not timely return the form?

Certain Class Members are required to submit a Claim Form to receive a refund. These include:

- Category 2 Class Members (Class Members who no longer own the property for which the refund is determined to be owed);
- Missing Class Members (those not listed but who believe they are entitled to a refund); and
- Alternate Class Members (those who paid Fire Fees on behalf of someone else).

. If you fall into one of these categories and fail to follow the instructions on the Claim Form and do not submit it on or before the date provided on the Claim Form you will not receive your refund. Sending in a Claim Form late will be the same as failing to send in the required Claim Form.

10. What if I am not listed on the Settlement Webpage as a Class Member?

As explained in Question No. 8, following the Final Approval of the Settlement Agreement settling this Lawsuit (described in Question No. 20), the Administrator will calculate the individual refund amounts and post the Class Members and the refunds each will receive on the Settlement Webpage on Brooks County's website. There will be a Claim Form on that webpage for any taxpayer not identified as a Class Member by the Administrator ("Missing Class Member") to download, complete and submit according to the directions provided. Additionally, there will be a Claim Form for those who paid Fire Fees but do not own the property for which the Fire Fees were paid who believe they are entitled to receive a refund ("Alternate Class Member") to download, complete and submit according to the directions provided. **IF YOU ARE A MISSING CLASS MEMBER OR ALTERNATE CLASS MEMBER YOU MUST TIMELY COMPLETE AND RETURN THE CLAIM FORM IN ORDER TO BE ELIGIBLE FOR A REFUND.** The Administrator will review the claim and notify the taxpayer of their findings. The taxpayer will have fifteen (15) days to object to the Administrator's findings. Objections will be heard by a Special Master. The Special Master's findings will be final and binding.

11. How are the refunds calculated?

Following Final Approval of the Settlement Agreement, the Administrator is directed to identify the Classes and Class Members and determine the refunds owed.

"Class Member" or "Class Members" means a member or members of the Classes.

The Administrator will identify the Class Members who are entitled to refunds as follows:

The Administrator shall be given full access to the records of and full cooperation by Defendant's departments including, but not limited to, Information Technology, the Board of Assessor's Office and Tax Commissioner's Office in order to identify Class Members, confirm the identity of Class Members, obtain missing information for taxpayers who paid the Fire Fee in order to determine whether they are Class Members and to calculate the individual refunds owed to Class Members.

The resulting calculation shall be the refund to each Class Member (the "Calculated Refund"). It is estimated that the Total Cash Consideration will provide sufficient funding to provide refunds of 20-50% of the Fire Fees paid by each Class Member during the Class Period.

The identification of Class Members entitled to refunds and the amount of the individual refunds due to such Class Members is to be completed within nine (9) months of the entry of the Final Order after the Final Approval Hearing described in Question No. 20.

12. How much will my refund be?

If you are entitled to a refund, your refund will be calculated as explained in Question No. 11. At this time, it is not known how much each individual refund will be. The Administrator will calculate the individual refund amounts after the Final Approval Hearing (see Question No. 20) and after the Court finally approves the Settlement. See Question No. 14 regarding timing of payment.

13. What am I giving up as part of the Settlement?

If the Settlement is finally approved by the Court after the Final Approval Hearing, you will give up your right to sue Brooks County and other persons ("Defendant Releasees") as to all claims arising out of any and all claims for payment of taxes related to or arising out of the assessment of the Fire Fees as alleged in the Lawsuit from 2018 to 2025 whether in law or equity (the "Released Plaintiff and Class Member Claims").

The full text of the Release is set forth in Question No. 26. Additionally, a copy of the Settlement Agreement can be found on the Settlement Webpage on Brooks County's website. *You should carefully read the Release and if you have any questions about the release, you may contact Class Counsel at (912) 638-5200.*

14. When will I get paid?

On _____, the Court will hold a hearing to decide whether to approve the Settlement. If the Court approves the Settlement, the Claims Administrator will begin to verify the individual Class Members who are entitled to refunds and determine the individual amount of the refund to be paid to each Class Member.

The Claims Administrator will endeavor to complete the individual Settlement Class Member refund calculations within nine (9) months of the entry of the Final Order after the Final Approval Hearing described in Question No. 20.

The Total Cash Consideration shall be paid to a Qualified Settlement Fund under Section 468B of the Internal Revenue Code to be identified and established prior to and to be specified in the Final Order (the "Schreck QSF") to carry out the payment of refunds to individual Class Members. The Final Order will appoint an administrator of the Schreck QSF (the "Schreck QSF Administrator").

Within thirty (30) days of the later of the expiration of the period for objecting to individual refund amounts or a final ruling by the Special Master on any individual refund calculation, the Administrator shall identify to the Schreck QSF Administrator the amount of refund due each taxpayer and the address to which the refund is to be mailed the Category 1 Class Members. The Schreck QSF Administrator shall issue refund checks from available funds in the Total Cash Consideration to the Category 1 Class Members within thirty (30) days of receipt of such notice. Within thirty (30) days following the expiration of the period to submit Claims Forms, the

Administrator shall identity to the Schreck QSF Administrator Category 2 Class Members, Missing Class Members, and Alternate Class Members who have properly filled out and returned claim forms, the amount of refund due each taxpayer and the address to which the refund is to be mailed. Refunds for Missing Class Members and Alternate Class Members will be issued on the same timetable as for Category 2 Class Members, subject to confirmation by the Administrator and any final rulings by the Special Master.

Please note that there is often a delay after a Settlement like this is approved. For example, there may be appeals of the Court's Order approving the Settlement. The relief to the Class Members provided for by this Settlement may not be implemented until appeals are finished and the Court's Order finally approving this Settlement is upheld. Because of this there could be a delay in payment of the individual refund amounts as provided for in the Settlement.

Please be patient. Updates as deemed necessary will be posted on the Settlement Webpage on Brooks County's website.

The Lawyers Representing You

15. Do I have a lawyer in this Lawsuit?

Yes. The Court decided that the law firm of Roberts Tate, LLC is qualified to serve as Class Counsel and to represent you and all Class Members.

16. Should I get my own lawyer?

You do not need to hire your own lawyer because Class Counsel is working on your behalf. But if you want your own lawyer, you may hire one at your own cost.

17. How will the lawyers get paid and will there be incentive payments?

Class Counsel has not received any fees for the lawyer and professional time they have devoted to this Lawsuit, nor have they received any reimbursement for any of the out-of-pocket expenses incurred. For work done through the final approval of this Settlement, Class Counsel will apply to the Court for an award of attorneys' fees not to exceed 40% of the Total Cash Consideration plus documented out of pocket expenses incurred from the Total Cash Consideration (the "Fee Petition"). Brooks County takes no position on the Fee Petition, will not oppose the Fee Petition and intends to defer such decision to the judgment and discretion of the Court.

In addition, Class Counsel will ask the Court to award to the Named Plaintiff, Steven Schreck, a class service payment from the Total Cash Consideration in recognition of his efforts on behalf of the Class (the "Class Service Petition"). Named Plaintiff was prepared to appear and testify at trial on behalf of the Class. Brooks County takes no position on the Class Service Petition, will not oppose the Class Service Petition and intends to defer such decision to the judgment and discretion of the Court.

The amounts to be awarded as attorney's fees, expenses and Named Plaintiff's service

award must be approved by the Court. Class Counsel will file the Fee Petition and the Class Service Petition at least twenty (20) days prior to the Final Approval Hearing. You can object to the Fee Petition and the Class Service Petition in compliance with the instruction in Question No. 18.

A copy of the Fee Petition and the Class Service Petition will be posted on the Settlement Webpage on Brooks County's website the same day that it is filed with the Court.

Supporting or Objecting to the Settlement

18. How do I tell the Court that I like or do not like the Settlement?

If you are a Class Member, you can tell the Court that you like the Settlement or you can tell the Court that you do not agree with the Settlement or some part of the Settlement. You can object to the entire Settlement or any part of the Settlement. You can give reasons why you do not think that the Court should approve the Settlement. You can also object to the Fee Petition or the Class Service Petition. You can give reasons for the objection and why you think the Court should not approve the Fee Petition or the Class Service Petition.

In order for the Court to consider your written comments or objections, all objections to the Settlement Agreement settling this Lawsuit or to the Fee Petition or the Class Service Petition must be mailed to the Clerk of Court, Plaintiff's Counsel and Defendant's Counsel. For an objection to be considered by the Court, the objection must be postmarked on or before and sent to the Court, Class Counsel and Counsel for Defendant at the following addresses:

Court	Clerk of the Superior Court of Brooks County 1 Screven Street, Suite 6 Quitman, Georgia 31643
Class Counsel	James L. Roberts, IV, Esquire Roberts Tate, LLC Post Office Box 21828 St. Simons Island, Georgia 31522
Counsel for Defendant	Bradley J. Watkins, Esquire Brown, Readdick, Bumgartner, Carter, Strickland & Watkins Post Office Box 220 Brunswick, Georgia 31521

Additionally, for an objection to be considered by the Court, the objection must also set forth:

a. The name of the Lawsuit;

b. Your full name, address and telephone number;
c. An explanation of the basis upon which you claim to be a Class Member;
d. All grounds for the objection, accompanied by any legal support for the objection known to you or your counsel;
e. The number of times the you have objected to a class action settlement within the five (5) years preceding the date on which you file the objection, the caption of each case in which you have made such objection, and a copy of any orders or opinions to or ruling upon your prior such objections that were issued by any court in each listed case;
f. The identity of all counsel who represented you, including any former or current counsel who may be entitled to any compensation for any reason related to the objection to the Settlement Agreement settling this Lawsuit or to Fee Petition and Class Service Petition;
g. The number of times your counsel and/or counsel's law firm have objected to a class action settlement within the last five (5) years preceding the date you file the objection, the caption of each case in which the counsel or the firm has made such objection, and a copy of any order or opinions related to or ruling upon counsel or the firm's prior such objections that were issued by any court in each listed case;
h. Any and all agreements that relate to the objection or the process of objecting – whether written or verbal – between you or your counsel and any other person or entity;
i. The identity of all counsel representing you who will appear at the Final Approval Hearing;
j. A list of all persons which will be called to testify at the Final Approval Hearing in support of the objection;
k. A statement confirming whether you intend to personally appear and/or testify at the Final Approval Hearing; and
l. Your signature (your attorney's signature is not sufficient).

The filing of an objection may allow Class Counsel or Counsel for Brooks County to notice the objecting party to take his or her deposition at an agreed upon location before the Final Approval Hearing, and to seek any documentary evidence or other tangible things that are relevant to the objection. Failure of the objector to comply with the discovery requests may result in the Court striking the objector's objection and otherwise denying that person the opportunity to make an objection or be further heard. The Court reserves the right to tax the costs of any such discovery to the objector or the objector's counsel should the Court determine that the objection is frivolous or is made for an improper purpose.

Any Class Member who fails to object in the manner set forth above will be deemed to have forever waived his or her objections.

19. Can I call the Court or the Judge's office about my objections?

No. If you have questions, you may visit the Settlement Webpage on Brooks County's website (***INSERT URL OF SETTLEMENT WEBPAGE***) for more information about the settlement. You may also call Class Counsel.

20. When and where will the Court decide to approve the Settlement?

The Court will hold a Final Approval Hearing at ___:00 __.m. on _____ at the Brooks County Courthouse. After the Final Approval Hearing the Court will decide whether to finally certify the Settlement Class and whether to approve the Settlement. The Court may also decide how much to pay Class Counsel and whether to award a class service payment to Named Plaintiff. Additionally, if no objections are filed, the Court may elect to conduct the hearing telephonically or virtually without further notice to the Class. We do not know how long it will take the Court to make its decision.

Important! The time and date of the Final Approval Hearing may change without additional mailed or published notice.

21. Why is there a hearing?

At the Final Approval Hearing the Court will consider whether to finally certify the Settlement Classes and whether the Settlement is fair, reasonable and adequate. If there are objections that were properly submitted (see Question No. 18) the Court will consider them. At its discretion, the Court may listen to people who have properly filed objections (see Question No. 18) and have asked to speak at the hearing.

22. Do I have to come to the hearing?

No. Class Counsel will present the Settlement Agreement settling this Lawsuit to the Court. You or your own lawyer are welcome to attend at your expense, but you are not required to do so. If you make an objection, you do not have to come to Court to talk about it. As long as you mailed or otherwise submitted your written objection according to the instructions (including the deadlines) in Question No. 18, including all of the information required, the Court will consider it.

23. May I speak at the hearing?

You may ask the Court for permission to speak at the Final Approval Hearing. To do so, you must mail or otherwise submit an objection according to the instructions (including the deadlines) in Question No. 18. The Court, in its discretion, may determine which, if any, of the Class Members who properly submitted an objection and requested to be heard at the Final Approval Hearing will be entitled to appear and be heard.

If you wish to present evidence at the Final Approval Hearing you must identify any witnesses you may call to testify and any exhibits you intend to introduce as evidence at the Final Approval Hearing in your written objection (see Question No. 18).

24. Can I exclude myself from the Settlement?

No. You do not have the right to exclude yourself from the Settlement, but you do have the right to object to the Settlement in writing (see Question No. 18).

Full Text of the Settlement

26. What is the full text of the Release for the Settlement?

A. Released Claims by Named Plaintiff and Class Members

The following is the full text of the Release set forth in the Settlement Agreement. All capitalized terms used in this Section 26 have the same meanings as those defined in the Settlement Agreement:A. Upon the Effective Date, the Schrek Lawsuit and all the Consolidated Claims therein, shall be dismissed with prejudice pursuant to this Settlement, with each party to bear his, her or its own fees, costs, and expenses except as set forth in this Agreement. Notwithstanding such dismissal, the Court shall retain jurisdiction to enforce and administer the Settlement and the Final Approval Order and Judgment.

B. As of the Effective Date and pursuant to the Final Approval Order and Judgment, the Releasing Parties shall be deemed to have fully, finally, and completely released the Released Parties from the Released Claims.

C. The Parties acknowledge that it is possible that unknown losses or claims exist or might exist or that present losses may have been underestimated in amount. As of the Effective Date and pursuant to the Final Approval Order and Judgment, the Releasing Parties are deemed to finally, fully, and forever expressly waive and relinquish any and all provisions, rights, and benefits with respect to the released Claims.

D. The Releasing Parties are also deemed to acknowledge and understand that they may

later discover claims presently unknown or unsuspected, or facts in addition to or different from those which they now believe to be true with respect to the matters released herein and hereby. Nevertheless, it is the intention of the Releasing Parties to fully, finally, and forever settle and release the Released Claims with the Released Parties that exist hereafter may exist or might have existed.

E. This Agreement, upon the Effective Date is intended to and shall fully and finally release the Releasing Parties' Released Claims. Each Releasing Party hereby (1) releases the Released Parties from the Released Claims and (2) covenants and agrees that he, she, or it shall not sue or otherwise seek to establish or impose liability against any Released Party based, in whole or in part, on any of the Released Claims. Released Parties do not agree or admit, and nothing in this Agreement establishes, implies, or can be used to suggest, that Plaintiff, the Releasing Parties, or any other persons or entities have any valid claims against the Released Parties.

F. The Releasing Parties covenant that, after the Effective Date of this Agreement, they shall not seek to recover against any of the Released Parties for any of the Released Claims. This covenant applies to all Releasing Parties, even if a Releasing Party does not receive any Cash Consideration because, among other things, he/she/it did not properly complete or timely submit the Claims Form, or for any other reason.

B. Effect of Failure to Grant Final Approval

In the event that the Court fails to enter an Order granting Final Approval to this Settlement Agreement, the Lawsuit shall resume, this Settlement Agreement and any Order granted pursuant to this Settlement Agreement, including but not limited to the Preliminary Approval Order shall have no res judicata or collateral estoppel effect and shall be of no force or effect, and the Parties' rights and defenses shall be restored without prejudice as if this Settlement Agreement had never been entered into unless either: (1) Named Plaintiff and Defendant agree in writing to a modification of the Settlement Agreement and obtain approval of the Amended Settlement Agreement with such agreed to modification, or (2) Named Plaintiff and Defendant successfully obtain reversal of the decision denying entry of the Order granting Final Approval to this Settlement Agreement after reconsideration or appellate review. In the event that the Court fails to enter an Order granting Final Approval of this Settlement Agreement, the terms of this Settlement Agreement shall not be admissible for any purposes in this action or any other action against County's regarding Fire Fees.

C. Continuing Jurisdiction

The Court shall retain jurisdiction over the interpretation and implementation of this Settlement Agreement, as well as any matters arising out of, or related to, the interpretation or implementation of this Settlement Agreement.

STEVEN SCHRECK, Plaintiff, v. BROOKS COUNTY, Defendant.	CIVIL ACTION NO. 23-CV-00067

AFFIDAVIT OF JAMES L. ROBERTS, IV

STATE OF GEORGIA
COUNTY OF GLYNN

PERSONALLY APPEARED before me, an officer duly authorized by law to administer oaths, JAMES L. ROBERTS, IV, who after first being duly sworn states:

1.

My name is JAMES L. ROBERTS, IV, and I am competent in all respects to testify regarding the matters set forth herein. I have personal knowledge of the facts stated herein and know them to be true. This Affidavit is given voluntarily.

2.

This Affidavit is given in support of the Motion and Supporting Memorandum of Law for Final Approval of Class Action Settlement in the above referenced class action (the "Lawsuit").

Introduction and Background

3.

I am a founding member and partner in the law firm of Roberts Tate, LLC. Roberts Tate, LLC and Manly Shipley, LLP are Class Counsel to Plaintiff Grange Investments, LLC ("Named Plaintiff") and the Class in the Lawsuit. I am the primary and supervising attorney in this Lawsuit.

4.

I am an experienced litigator, and I am intimately familiar with this Lawsuit.

5.

I have been practicing law since 2001. Prior to forming Roberts Tate, LLC, I was a partner with the law firm of Gilbert, Harrell, Sumerford & Martin, P.C. Prior to that, I served as Law Clerk to the late Judge Anthony A. Alaimo.

6.

As part of my practice, I litigate large class action cases, and in addition to serving as Class Counsel in this Lawsuit, I have served as class counsel in numerous class and collective action cases including, but not limited to, the following: *Vanover et al v. West Telemarketing*, Southern District of Georgia, 2:06CV0098; *Clairday v. Tire Kingdom, Inc., et al*, Southern District of Georgia, 2:07cv0020; *Kerce v. City of Port Wentworth*, Superior Court of Chatham County, Civil Action No. SPCV23-00216-KA.

7.

I have extensive experience in tax law, including property tax law, and litigation having handled tax appeals and tax refund matters for thousands of parcels in over 60 counties in the State of Georgia as well as Florida, Virginia, Alabama and North Carolina at the administrative, trial court, and appellate court levels. I served on the Board of Governors of the State Bar of Georgia, am a past President of the Glynn County Bar Association, and am rated "Preeminent", the highest legal rating available from the leading legal rating service, Martindale Hubbell. I was named a Rising Star in 2006, 2009-2011, and 2014-2016 and a Super Lawyer for 2017-2025 by Super Lawyers Magazine.

8.

I regularly provide advice and counsel to clients on matters related to taxation and to the valuation of property for taxation, exemption and special use valuation programs.

9.

I am lead counsel for Named Plaintiff and the Class.

The Lawsuit

10.

Named Plaintiff retained Roberts Tate, LLC and agreed to be a class representative in this Lawsuit against Defendant Brooks County, Georgia (the "County" or "Defendant") to recover refunds on behalf of itself and similarly situated taxpayers for illegal taxes levied and assessed in the form of fire fees (the "Fire Fees") for 2018 to present. This Lawsuit is a refund class action and alleges that the County failed to comply with the Georgia Constitution and the Georgia law in assessing and levying Fire Fees.

11.

On March 15, 2023, Named Plaintiff commenced this Lawsuit, asserting claims for refunds on behalf of Named Plaintiff and all others similarly situated.

12.

The County filed an Answer on June 28, 2023.

13.

On March 23, 2023, Named Plaintiff filed a Motion with supporting Memorandum to Certify the Suit as a Class Action, and Named Plaintiff has since filed two amended Motions to Certify the Suit as a Class Action as well as three Amended Complaints. Additionally, Defendant filed a Motion to Dismiss on August 19, 2024 and Plaintiff filed a Response on October 20, 2024. The Motion to Dismiss remains pending and if successful would have resulted in class members recovering nothing.

14.

Our firm conducted early, informal discovery including investigation of facts, the law and extensive analysis and calculation of refunds potentially owed. Our firm issued numerous Open

Records Requests ("ORRs") to the County for documents. From the documents provided pursuant to the ORRs and the informal discovery provided by the County, we thoroughly researched the facts of this Lawsuit.

15.

The early, informal discovery and the research of the legal basis for this Lawsuit was conducted prior to filing the Complaint and before conducting settlement discussions with the County.

16.

The County is represented by Bradley J Watkins, Esquire and Amanda L. Szokoly, Esquire, who are extremely capable counsel and were worthy, highly competent, and professional adversaries.

17.

After thoroughly investigating the facts of this Lawsuit and filing the Complaint, the Parties began resolution discussions and continued such discussions for several months.

18.

Ultimately, the parties were able to reach a resolution (the "Settlement"). The Settlement is memorialized in the Settlement Agreement (the "Settlement Agreement").

19.

The County's attorneys mounted vigorous defenses, and the Settlement Agreement was only reached after negotiations concerning the parameters and provisions of a fair, reasonable and adequate settlement.

20.

On June 23, 2025, the Parties filed a Joint Motion and Supporting Memorandum of Law for Preliminary Approval of Class Action Settlement, Preliminary Certification of Settlement Classes, Approval of Notice Program and to Schedule Final Approval Hearing. The Court entered the Preliminary Approval Order dated June 26, 2025.

The Settlement and Preliminary Approval

21.

The Settlement Agreement was negotiated at arm's length without collusion. There are no agreements in connection with the Settlement other than specifically articulated in the Settlement Agreement.

22.

The Court granted the Parties' Joint Motion for Preliminary Approval of Class Action Settlement and signed the Preliminary Approval Order on June 26, 2025 (the "Preliminary Approval Order").

23.

In the Preliminary Approval Order, the Court found "for settlement purposes, that the O.C.G.A. §9-11-23 factors are present and thus certification of the proposed Settlement Classe is appropriate" and provisionally certified one (1) class.

24.

The Court scheduled a final approval hearing (the "Final Approval Hearing") for **August 18, 2025, at 9:30 a.m.** at the Brooks County Courthouse.

25.

The Court ordered that the notice of the Settlement and notice of the Final Approval Hearing be given to the Class Members as follows (collectively referred to as the "Notice Program"):

A. The Claim Administrator (as appointed in the Preliminary Approval Order) shall cause to be mailed by first class mail, within thirty (30) days of the entry of the Preliminary Approval Order, to all Class Members to their last known addresses as appearing on the records maintained by the County, a copy of the notice (the "Full Notice"). The Court approved the form and content of the Full Notice.

B. The Claim Administrator shall create and publish, within fifteen (15) days of the entry of the Preliminary Approval Order, a single-purpose website (the "Settlement Webpage") where Class Members may access the Preliminary Approval Order, the Judgment, the Full Notice, other related documents and information concerning this Lawsuit and the date that the Final Approval Hearing will occur.

C. The Claim Administrator shall cause, as soon as practicable after entry of the Preliminary Approval Order, a notice to be placed in the Quitman Free Press (the "Publication Notice"). The Court approved the form and content of the Publication Notice.

26.

The Court ordered that Class Members objecting to the Settlement follow specific procedures to register such objections as set forth in the Preliminary Approval Order and in the Full Notice.

Execution of the Notice Program

27.

Each facet of the Notice Program was timely and properly accomplished.

28.

The Full Notice was mailed during the period of July 14, 2025, through July 21, 2025, to Class Members to their last known addresses as appearing on the records maintained by the County. Nine thousand four hundred and forty-six (9,446) Full Notices were mailed.

29.

The Settlement Website was created providing information about the Lawsuit. *See* https://schreckfirefeessettlement.com/. The Website contains the Preliminary Approval Order, the Judgment, the Full Notice, and other related documents and information concerning the Lawsuit. The Website also contains the date of the Final Approval Hearing as set forth in the Preliminary Approval Order.

30.

The Publication Notice was placed in the Quitman Free Press on July 16, 2025, July 23, 2025, July 30, 2025, and August 6, 2025.

31.

The Notice Program provided Class Members with the material terms of the settlement and instructions on how to object if they believed that any aspect of the Settlement Agreement was not fair, reasonable, and adequate.

32.

Both the Full Notice and the Publication Notice as well as the Settlement Website contained Class Counsel's phone number for Class Members to call with questions about the proposed Settlement. Approximately twenty (20) phone calls have been handled to date. The response has been uniformly in favor of the Settlement

Reaction to the Settlement

33.

The Full Notice, the Publication Notice, and the Settlement Website advised Class Members that if they believed that any aspect of the Settlement as set forth in the Settlement Agreement, including the Application for Attorney's Fees, Reimbursement of Expenses and/or the

Service Award to Class Representative, was not fair, reasonable and adequate, they had the right to object to any or all of the foregoing.

34.

Pursuant to the Preliminary Approval Order, the period for filing timely objections ended on August 8, 2025. There were no objections received. Of the approximately twenty (20) calls received, no one objected to the Settlement. Most of the calls were requesting general information about the Settlement.

35.

Therefore, the Settlement was approved overwhelmingly by the Class Members.

Summary of the Terms of the Settlement

36.

The Parties engaged in extensive arm's length settlement negotiations. Discussions concerning the terms of the Settlement were conducted by senior attorneys from both sides. All participants in the settlement discussions were experienced in prosecuting and negotiating multimillion-dollar complex class action cases such as this Lawsuit. Each side had a thorough understanding of the allegations regarding the aggregate damages owed, the facts in support of the amount owed and the defenses thereto. Counsel for both parties zealously represented the best interests of their clients.

37.

The terms of the Settlement are set forth in the Settlement Agreement and covers refunds for taxes paid from 2018 to present.

38.

If the Court enters final approval of the Settlement, as a result of the efforts of the Class Representative and Class Counsel, the direct benefits to the Class Members include the creation of a cash fund in the amount of $1,000,000.00 (the "Aggregate Refund Fund" or "Total Cash Consideration").

39.

The County shall pay the Total Cash Consideration as follows:

1. $150,000.00 on or before July 15, 2025 ("1st Refund Fund Payment");
2. $250,000.00 on or before January 15, 2026 ("2nd Refund Fund Payment");
3. $250,000.00 on or before July 15, 2026 (3rd Refund Fund Payment");
4. $350,000.00 on or before January 15, 2027 (4th Refund Fund Payment").

In the event that Defendant fails to make the payment into the Aggregate Refund Fund as provided in the Judgment, post judgment interest shall accrue at the rate of 7% per annum as set by O.C.G.A. § 7-4-2(a)(1)(A) on said amount until paid in full.

40.

Under the terms of the Settlement Agreement each Settlement Class Member (as defined in the Settlement Agreement) will receive his or her share of his or her Cash Consideration as in accordance with the Settlement Agreement. The Cash Consideration is determined based on the fire fees paid by each Settlement Class Member during the Settlement Class Period and the total amount available for distribution after deducting Court-Awarded Class Counsel Fees, Costs, and Expenses, Service Awards, and Notice and Administration Costs from the Total Cash Consideration. For a detailed explanation of the calculation, *see* Settlement Agreement at Section Two (C).

41.

Under the Settlement Agreement, the Claims Administrator shall complete the initial identification of Settlement Class Members entitled to refunds and the amount of the individual refunds due (each Settlement Class Member's Cash Consideration) based on Settlement Property Owners within four (4) months of final approval of the Settlement Agreement ("Initial Settlement Class Member List"). The Administrator will post the Initial Settlement Class Member List on the Settlement Webpage and provide notice in The Quitman Free Press. Settlement Class Members, including potential Missing Class Members and Alternative Class Members (as defined in the Settlement Agreement), shall then have forty-five (45) days from the posting of the Initial Settlement Class Member List to submit claim forms and object to any individual refund calculations made by the Claims Administrator. Upon final conclusion of submission and review of Objections and claims submitted by Class Members, the Claims Administrator will publish on the Settlement Website the Final Settlement Class Member List setting forth each Settlement Class Member's Cash Consideration. The Claims Administrator shall thereafter distribute via first-class U.S. mail each Settlement Class Member's Cash Consideration during the Distribution Period (as defined in the Settlement Agreement) and, within 30 business days after the expiration of the Time of Distribution, certify to the Court that the Claims Administrator has completed all such distributions and mailings.

42.

The Aggregate Refund Fund provides for an immediate cash benefit for the Class Members as set forth in the Settlement Agreement.

43.

Importantly, if the Class Member is a Category 1 Class Member as defined in the Settlement Agreement and still owns the property for which the refund is due, the Class Member needs to take no further action in order to receive his or her refund. If the Class Member is a Category 2 Class Member as defined in the Settlement Agreement and no longer owns the property for which the refund is due, the Class Member will fill out a claim form (which will be sent to what is believed to be the current address or can be obtained from the Settlement Webpage) certifying that he or she is the same taxpayer for which the refund has been calculated and then the refund will be mailed to such Class Member.

44.

The Settlement amount is fair and reasonable given the obstacles confronted and the complexity of the Lawsuit, including, but not limited to, inherent risk of failing to obtain class certification, having the Lawsuit dismissed at the pleadings stage or upon motion for summary judgment, *Daubert* challenges, trial, and further appeals.

45.

The facts of this Lawsuit have been thoroughly researched. Class Counsel spent a substantial number of hours investigating the potential refund claims. We analyzed the potential refund claims for 2017, 2018, 2019, 2020, 2021, 2022, 2023, 2024, and 2025.

46.

Legal issues have been thoroughly researched, and I have briefed and argued the same refund issues in other tax refund and tax appeal matters. I am very familiar with the statutory requirements for refund matters under O.C.G.A. § 48-5-380 (the "Refund Statute").

47.

This information was essential to our ability to understand the facts, scope of the refund claims, pertinent evidence, legal and factual arguments and potential defenses, and the number of and amount of potential refunds owed to the Class.

48.

In sum, the Settlement represents an extraordinary result. It is the opinion of Class Counsel that the Settlement achieved in this Lawsuit is fair, reasonable, and adequate under the circumstances. For all the reasons cited above and more, Class Counsel recommends final approval of this Settlement.

49.

Each of the above-described efforts taken was essential to achieving the Settlement and the excellent results for the Class.

50.

Final approval of the Settlement will avoid complex, expensive, and continued lengthy litigation, saving resources of the Parties and the Court as trying this Lawsuit to verdict would involve expert involvement, extensive argument and voluminous briefing, and possible *Daubert* challenges and appeals.

FURTHER AFFIANT SAITH NOT.

Exhibit "F"

IN THE SUPERIOR COURT OF BROOKS COUNTY
STATE OF GEORGIA

STEVEN SCHRECK, Plaintiff, v. BROOKS COUNTY, Defendant.	CIVIL ACTION NO. 23-CV-00067

FINAL APPROVAL ORDER AND JUDGMENT

WHEREAS, the instant action pending before the Court is a class action (the "Lawsuit") brought by Steven Schreck ("Named Plaintiff"), individually and on behalf of all persons similarly situated (the "Class Members") against Defendant Brooks County, Georgia (the "County");

WHEREAS, this matter came before the Court on the Parties' Joint Motion for Preliminary Approval of Class Action Settlement, Preliminary Certification of Settlement Class, Approval of Notice Program and Scheduling Final Approval Hearing (the "Motion for Preliminary Approval");

WHEREAS, the Court **GRANTED** the Joint Motion for Preliminary Approval and entered the Preliminary Approval Order on June 26, 2025 (the "Preliminary Approval Order");

WHEREAS, this matter is currently before the Court on the Parties' Motion for Final Approval of Class Action Settlement pursuant to O.C.G.A. § 9-11-23(e) in which the Court has been asked to give final approval to the Settlement Agreement (hereinafter the "Settlement Agreement") proposed and agreed to by Named Plaintiff and the County, through counsel, which, together with the exhibits, sets forth the terms and conditions of the proposed resolution of this Lawsuit;

WHEREAS, the Court held a Final Approval Hearing on August 18, 2025, as scheduled in the Preliminary Approval Order and as made known to the Class Members through the notice procedures (the "Notice Program") approved by the Court in the Preliminary Approval Order;

WHEREAS, no objections were filed to the Settlement Agreement, and the Court having considered the entire record of this Lawsuit, including the filings in support of preliminary approval and final approval, the Settlement Agreement and the exhibits, and the arguments and representations of counsel, the Court finds that the requirements for final approval have been met and that the proposed resolution of this Lawsuit as set forth in the Settlement Agreement is a fair, reasonable and adequate compromise of the claims and defenses asserted in this Lawsuit and should therefore be approved pursuant to O.C.G.A. § 9-11-23.

NOW, THEREFORE, IT IS ORDERED, ADJUDGED, AND DECREED THAT:

1. This Order of Final Approval and Judgment incorporates herein and makes a part hereof the Settlement Agreement, including all exhibits thereto, which is attached hereto as **Exhibit "1"**. Unless otherwise provided herein, the terms defined in the Settlement Agreement shall have the same meanings for purposes of this Final Order and Judgment.

2. This Court has jurisdiction over the subject matter of this Lawsuit and over all Parties to this Lawsuit including Named Plaintiff, all Class Members and Defendant. Venue is proper.

3. The record shows that notice has been given to the Class Members via the Notice Program approved by the Court in the Preliminary Approval Order. The Court finds the Notice Program consisted of individual notice mailed to Class Members (the "Full Notice"), a notice in the Quitman Free Press (the "Publication Notice"), and the creation of a Settlement Website (the "Website"). The record shows that the Full Notice was mailed to Class Members identified in

Exhibit A to the Affidavit of Terry Turner to their last known addresses as appearing on the records maintained by the County during the period of July 14, 2025, through July 21, 2025; Nine thousand four hundred and forty-six (9,446) Full Notices were mailed. The record further shows that a website was created providing information about the Lawsuit w. *See* https://schreckfirefeessettlement.com/. The Publication Notice, the record shows, was placed in the Quitman Free Press on July 16, 2025, July 23, 2025, July 30, 2025, and August 6, 2025.

4. The Court finds that the Notice Program (a) constitutes notice that was reasonably calculated under the circumstances to apprise the Class Members of the terms of the Settlement Agreement, the Class Members' right to object and the date and time of the Final Approval Hearing; (b) constitutes due, adequate, and sufficient notice to all persons or entities entitled to receive notice; and (c) meets the requirements of O.C.G.A. § 9-11-23 and the due process requirements of the Constitution of the United States and the Constitution of the State of Georgia and all other applicable law. *See Juris v. Inamed Corp*., 685 F.3d 1294, 1318 (11th Cir. 2012) (the Constitution of the United States does not require that each individual member receive actual notice of a proposed settlement).

5. For any Full Notice that was returned as undeliverable, the Administrator is directed for any Class Member who is entitled to a refund to cross reference the Class Member's name with the County's records to determine if there is a new address. Generally, the Administrator is directed to use reasonable efforts to confirm the address of any Class Member who is entitled to a refund.

Final Approval of Proposed Settlement

6. The Court finds that the Settlement set forth in the Settlement Agreement was the result of extensive and intensive arm's length negotiations taken place in good faith among highly experienced counsel, with the benefit of sufficient facts and with full knowledge of the risks

inherent in litigation. The record shows the Settlement Agreement was negotiated at arm's length and without collusion; that the Parties engaged in extensive arm's length settlement negotiations with discussions concerning the terms of the Settlement Agreement conducted by senior attorneys from both sides; that all participants in the settlement discussions were experienced in prosecuting and negotiating multimillion-dollar complex class action cases such as this Lawsuit; and that each side had a thorough understanding of the aggregate damages owed, the facts in support of the amount owed, and the defenses thereto.

7. The Court hereby approves the Settlement set forth in the Settlement Agreement and finds that the Settlement is, in all respects, fair, reasonable, adequate, meets the requirements of due process, and is in the best interest of the Classes. This is especially so in view of the complexity, expense, and probable duration of further litigation; the discovery (including informal discovery) conducted to date; and the reasonableness of the recovery obtained and the meaningful benefits provided to the Classes, considering the range of possible recovery and the attendant risks of litigation.

The record shows the direct benefits to the Class Members include the creation of an Aggregate Refund Fund in the amount of $1,000,000.00 (the "Total Cash Consideration" as defined in the Settlement Agreement). The County shall pay the Aggregate Refund Fund as follows:

1. $150,000.00 on or before July 15, 2025 ("1st Refund Fund Payment");
2. $250,000.00 on or before January 15, 2026 ("2nd Refund Fund Payment");
3. $250,000.00 on or before July 15, 2026 (3rd Refund Fund Payment");
4. $350,000.00 on or before January 15, 2027 (4th Refund Fund Payment").

The Court finds that this Settlement provides immediate cash refunds for the Class Members up to 25% of the total calculated refund due less fees and expenses for tax years 2018 to present. Therefore, this Court finds that the possibility of a trial producing a more favorable recovery is remote and the Class would risk the many hazards of litigation, such as trial errors and appeals. Further, the Court finds that Settlement will avoid complex, expensive, and continued lengthy litigation, saving resources of the Parties and the Court.

The record shows that Class Counsel conducted early, informal discovery and that the facts of this Lawsuit have been thoroughly researched as Class Counsel spent a substantial number of hours investigating the potential refund claims for each tax year at issue. The record further shows that Class Counsel expended significant resources researching and developing the legal theories and claims presented in the Fourth Amended Class Action Complaint and that Class Counsel devoted significant time and effort to preparing a comprehensive damage analysis and calculation of the aggregate total refund owed, which was integral to negotiating the Settlement Agreement with the County. Additionally, the record shows that the legal issues involved in this case have been thoroughly researched and that Class Counsel has briefed and argued the same issues in other tax refund and tax appeal matters and is very familiar with the statutory requirements for refund matters under O.C.G.A. § 48-5-380. The Court finds that Class Counsel was well informed of the merits of the Lawsuit and had sufficient information to weigh the benefits of settlement against further litigation.

8. Based on the foregoing, the Court finds that Class Counsel and Named Plaintiff have adequately represented the Class.

9. The Court finds that the Settlement Agreement treats Class Members equitably. The record shows that each Settlement Class Member (as defined in the Settlement Agreement)

will receive payment from the Total Cash Consideration pursuant to a formula that ensures they will be fairly compensated. That is, each Settlement Class Member will receive his or her share of his or her Cash Consideration (as defined in the Settlement Agreement) in accordance with the Settlement Agreement. The Cash Consideration is determined based on the fire fees paid by each Settlement Class Member during the Settlement Class Period and the total amount available for distribution after deducting Court-Awarded Class Counsel Fees, Costs, and Expenses, Service Awards, and Notice and Administration Costs from the Total Cash Consideration (all as defined in the Settlement Agreement).

10. The Court finds that the proposed method of distribution of refunds to the Class Members to be the best method of distribution possible. The record shows that if the Class Member is a Category 1 Class Member as defined in the Settlement Agreement and still has the same address as found in the County's records, the Class Member needs to take no further action in order to receive his or her refund. If the Class Member is a Category 2 Class Member as defined in the Settlement Agreement and no longer owns the property for which the refund is due, the Class Member must fill out a claim form (which will be sent to what is believed to be the current address or can be obtained from the Settlement Website) certifying that he or she is the same taxpayer for which the refund has been calculated and then the refund will be mailed to such Class Member.

11. The Court hereby establishes the Schreck Qualified Settlement Fund (the "Schreck QSF" or the "Escrow Account" as defined in the Settlement Agreement) pursuant to Court Order as a "Qualified Settlement Fund" as that term is described in Internal Revenue Code §468B (26 U.S.C. §468B) and the Treasury Regulations thereto, established by Order of this Court, to hold,

invest, administer, and distribute the Total Cash Consideration, which shall consist of a proposed service award to the Named Plaintiff and Class Counsel attorney fees and expenses.

The Settlement monies held by the Schreck QSF's bank account shall be held and managed, as required by Treasury Regulations §468B-1(c)(3). Such Schreck QSF settlement amounts are to be held, managed, invested, and re-invested, as directed by the Administrator appointed by the Court, in a manner to preserve any accrued income and principal in the Schreck QSF until it can be fully distributed. **Terry D. Turner, Jr. of Gentle Turner & Benson, LLC**, 501 Riverchase Parkway East, Suite 100, Hoover, Alabama 35244 **is appointed as the Schreck QSF administrator** (the "Schreck QSF Administrator"). The Schreck QSF Administrator shall charge a flat fee of $30,000.00 for his services plus expenses which shall be paid from the Total Cash Consideration as set forth in the Settlement Agreement.

Class Counsel Fees Awarded and Service Fees shall be paid by the Schreck QSF Administrator. The Schreck QSF shall hold such settlement amount, with any earnings thereon, and the Schreck QSF Administrator shall make payments on behalf of the Named Plaintiff and Class Counsel from the Schreck QSF, whether directly, structured settlement payments, or otherwise, and fund administration fees of the Schreck QSF. The Schreck QSF Administrator shall promptly pay any awarded Class Counsel Fees and Expenses and Service Awards within ten (10) days following the Effective Date (as defined in the Settlement Agreement) of the Settlement Agreement as funds permit with Class Counsel Costs and Expenses being paid in full from the County's first settlement payment and the Class Representative Service Award and Class Counsel Fees being paid in pro rata shares from the first and subsequent County settlement payments until paid in full.

Rita Spalding is hereby appointed as Special Master. The Special Master will rule on any individual defenses or disputes in the individual refund calculation and administration process. The Special Master's decision shall be final and binding. The fees and expenses of the Special Master shall be paid from the Total Cash Consideration. In the event that Rita Spalding cannot serve, a substitute Special Master consented to by the Parties shall be appointed.

The Court shall retain jurisdiction of the Schreck QSF, the Schreck QSF Administrator, and all related matters. The Schreck QSF is hereby authorized to effect qualified assignments on behalf of the Named Plaintiff or Class Counsel of any resulting structured settlement liability within the meaning of Section 130(c) of the Internal Revenue Code to the qualified assignee.

12. The Parties are hereby directed to implement and consummate the Settlement according to the terms and provisions of the Settlement Agreement.

13. The Parties are Ordered to cooperate fully with each other regarding the implementation of the terms of the Settlement Agreement as approved in this Final Order and Judgment.

Certification of Settlement Class

14. Even when certifying a class under O.C.G.A. §9-11-23 for settlement purposes only, all O.C.G.A. §9-11-23(a) factors and at least one of the requirements under O.C.G.A. §9-11-23(b) must be satisfied – except that the court need not consider the manageability of a potential trial, since the settlement if approved, would obviate the need for a trial. *See Amchem Products, Inc. v. Windsor*, 521 U.S. 591, 620 (1997).

15. The Court previously concluded in its Preliminary Approval Order that it was likely to certify the following Settlement Class: all individuals or entities who paid Fire Fees during the

Settlement Class Period or January 1, 2018 through the date of the Court's entry of the Final Approval Order and Judgment (the "Settlement Class").

16. The Court specifically determines that, for settlement purposes, the proposed Settlement Class meets all the requirements of O.C.G.A. §9-11-23(a) and O.C.G.A. §9-11-23(b)(1) and O.C.G.A. §9-11-23(b)(2), namely that the Settlement Class is so numerous that joinder of all members is impractical; that there are common issues of law and fact; that the claims of the class representative are typical of absent class members; that the class representative will fairly and adequately protect the interests of the Settlement Class, as he has no interests antagonistic to or in conflict with the Settlement Class and has retained experienced and competent counsel to prosecute this Lawsuit; and that the prosecution of separate actions by or against individual class members would create a risk of inconsistent or varying adjudications with respect to individual class members which would establish incompatible standards of conduct for the party opposing the class or adjudications with respect to individual class members which would as a practical matter be dispositive of the interests of the other members not parties to the adjudications or substantially impair or impede their ability to protect their interests.[1]

Releases, Dismissal and Final Judgment

17. All claims asserted in this Lawsuit are dismissed with prejudice on the merits and without costs to any party except as otherwise provided in this Court's Order on the Application for Attorney's Fees, Reimbursement of Expenses and Service Award to Class Representative or as otherwise provided in the Settlement Agreement.

[1] Additionally, while the Court has elected to only certify the Settlement Class under O.C.G.A. §9-11-23(b)(1) and O.C.G.A. O.C.G.A. §9-11-23(b)(2) the Court also finds that certification under 9-11-23(b)(3) would be appropriate as questions of law or fact common to the members of the classes predominate over questions affecting only individual members, satisfying the requirements of O.C.G.A. § 9-11-23(b)(3) and a class action is superior to other methods available for the fair and efficient adjudication of this controversy satisfying the requirements of O.C.G.A. § 9-11-23(b)(3).

18. Upon entry of this Final Order and Order and Judgment, Named Plaintiff and each Class Member, on behalf of themselves and any other legal or natural persons and entities who or which may claim by, through, or under them, release their claims as outlined in the Settlement Agreement.

19. Without affecting the finality of this Order, the Court retains continuing and exclusive jurisdiction over all matters relating to the administration, consummation, enforcement and interpretation of the Settlement Agreement, to protect and effectuate this Order, and for any other necessary purpose.

20. The Clerk shall promptly enter this Order as a Final Judgment, including the attached Exhibit 1, in the docket of this Lawsuit.

SO ORDERED this _____ day of _____, 2025.

SECTION SIX (OTHER TERMS)

A. The terms and conditions set forth in this Agreement constitute the complete and exclusive statement of the agreement between the Parties and Releasing Parties relating to the subject matter of this Agreement and supersede and cancel all prior oral and written agreements relating to the subject matter of this Agreement, including, but not limited to, any prior memorandum of understanding or term sheet. The Parties and their counsel represent that no representations or warranties have been made to them relating to the subject matter of this Agreement other than the representations and warranties specified in this Agreement.

B. If the date for performance of any act required by or as contemplated in this Agreement falls on a Saturday, Sunday, or Court holiday, that act may be performed on the next business day with the same effect as if it had been performed on the day or within the period of time specified by or as contemplated in this Agreement.

C. The Parties agree to use their respective best efforts to effectuate this Agreement, including cooperating in seeking to secure preliminary approval and, subsequently, final approval of this Agreement pursuant to the schedule set forth in this Agreement and the Court's Preliminary Approval Order, as well as the complete and final termination of the Schreck Lawsuit pursuant to a Final

Approval Order and Judgment as contemplated in this Agreement. The Parties also agree to use their respective best efforts to overcome and/or defeat any collateral attack on this Agreement.

D. This Agreement constitutes an arm's length compromise and settlement of disputed claims, denials, and defenses following extended litigation and mediation. Nothing in connection with this Agreement or the Parties' efforts to achieve Preliminary Approval or Final Approval of this Agreement shall constitute an admission of liability, denial, or defense by any Party or otherwise be used to prejudice the interests of any Party, except in connection with a Party's breach of this Agreement. The County expressly denies any and all claims of wrongdoing and denies any liability to Plaintiff or the Releasing Parties. Plaintiff expressly disputes the County's denials and defenses. All communications of any type by and between the Parties and their counsel in the course and in furtherance of negotiating and effectuating this Agreement shall remain confidential, except in connection with a Party's breach of this Agreement.

E. Any disputes by and between any of the Parties or Releasing Parties relating to the subject matter of this Agreement that are not specifically addressed in the Agreement or otherwise resolved between them shall be submitted to the Court for its resolution. The Court shall retain exclusive and continuing jurisdiction over the Schreck Lawsuit, and this Agreement and shall construe and

enforce this Agreement. The Parties and Releasing Parties irrevocably submit to the exclusive and continuing jurisdiction of this Court for any action or proceeding arising out of this Agreement. For purposes of such action or proceeding, and to the fullest extent that they may effectively do so under applicable law, Plaintiff, Releasing Parties, and the County irrevocably waive and agree not to assert, by way of motion, as a defense, or otherwise, any claim or objection that they are not subject to the jurisdiction (personal or otherwise) of the Court or that the Court is in any way an improper venue or an inconvenient forum. Nothing in this Agreement shall be construed as a submission to jurisdiction for any purpose other than enforcement and implementation of this Agreement. Subject to any applicable appellate rights, the Parties and Releasing Parties agree that the Court's decision shall be binding upon them.

F. This Agreement was arrived at after thorough bargaining and negotiations, with the parties having been represented by their respective attorneys. This Agreement shall be construed as if the parties jointly prepared it, and any uncertainty or ambiguity shall not be construed or interpreted against the party actually preparing it. Any word or term used in the singular shall be deemed to include the plural and vice versa.

G. If any provision of this Agreement is adjudicated to be invalid, illegal or unenforceable, the relevant provision shall be deemed modified to the extent

necessary to make it enforceable.

H. All notices to the Parties or counsel required by this Agreement shall be made in writing and sent by first-class U.S. mail or, where appropriate, by the Court's e-filing and e- service system to the following addresses (or such different addresses as are provided in writing):

Basic Information

1. What is the purpose of this Notice?

The purpose of this Notice is to inform you of (a) the existence of a class action lawsuit; and (b) the proposed settlement agreement (the "Settlement Agreement") which settles the lawsuit (the "Settlement"). The Court authorized this Notice because you have a right to know about the Settlement Agreement which settles this class action lawsuit before the Court decides whether to give "final approval" to the Settlement. This Notice explains the nature of the lawsuit that is subject of the Settlement and your legal rights and options.

The class action lawsuit is pending in the Superior Court of Brooks County, Georgia, known as *Steven Schreck v. Brooks County, Georgia* (the "Lawsuit").

2. The Plaintiff's allegations and contentions in this Lawsuit.

This Lawsuit alleges that Defendant Brooks County (the "Defendant" or the "County") levied and collected an illegal tax in the form of Fire Fees from 2018 to 2025.

The Plaintiff further contends the following:

The Fire Fee is based on the payer's ability to pay. That is, the payer's ownership of real property.

The Fire Fee is mandatory for all property owners in the County. The mandatory nature of the Fire Fee is evidenced by the fact that it is included on all tax bills.

The Fire Fee is a mechanism the County is using to raise general revenue for fire protection services rather than a charge for a particular service. According to the Brooks County Ordinance Regulating the Assessment of Fees for the Fire Protection Service in Brook County (the "Fire Fee Ordinance"), the Fire Fee "will allow for the hiring of personnel, purchase of fire suppression equipment, the distribution of the water and the provision of hydrants…; to provide funds necessary for the maintenance of the Fire Protection System; [and] to provide funds for the enforcement of" the Fire Fee Ordinance. This is evidence that the Fire Fee is a tax.

The Fire Fee is assessed by the County without regard to direct benefits that may inure to the Subject Property or to Named Plaintiff or to the prospective class members or to the properties of the prospective class members.

The Fire Fee is not assessed in a manner whereby the payment is based upon the Subject Property's contribution or the contribution of the prospective class member's property to the problem. That is, a property owner may pay the Fire Fee year after year and never utilize the fire protection services.

The payer of the Fire Fee receives no particularized or enhanced service different from the nonpayer despite having paid the Fire Fee. The fire protection services funded through the payment of the Fire Fee benefit the general public in precisely the same manner that the services benefit the payer of the Fire Fee.

The Fire Fee is not calculated in a manner whereby Named Plaintiff or the prospective class members are reasonably paying for services rendered or to be rendered.

Therefore, Named Plaintiff contends that the Fire Fee is an illegal tax to fund core governmental functions, i.e., fire fighting services and firefighting operations. Defendant Brooks County denies that such Fire Fees constitute unlawful taxes.

Under the Georgia Constitution and Georgia law, taxation of property is required to be ad valorem. That is, property must be assessed based upon the value of the property not based upon a rate for the square footage of all Structures with a minimum and maximum amount charged based on the type of Structure. See Hutchins, et la. v. Howard, et al., 211 Ga. 830, 89 S.E. 2d 183, 186 (1955) ("Taxation on all real and tangible personal property subject to be taxed is required to be ad valorem – that is, according to value, and the requirement in the Constitution that the rule of taxation shall be uniform, means that all kinds of property of the same class not absolutely exempt must be taxed alike, by the same standard of valuation, equally with other taxable property of the same class, and coextensively with the territory to which it applies; meaning the territory from which the given tax, as a whole, is to be drawn.").

Rather than assessing the Fire Fee based on the value of property, the County assesses the Fire Fee in the form of a flat fee. Therefore, the Fire Fee is an illegal tax not authorized by the Georgia Constitution or by Georgia law and Named Plaintiff and the prospective class members are entitled to refunds for the illegally assessed and collected taxes under O.C.G.A. § 48-5-380 (the "Refund Statute").

Named Plaintiff filed this Lawsuit on behalf of itself and all taxpayers similarly situated who own or owned parcels in Brooks County and were assessed and paid Fire Fees for 2018, 2019, 2020, 2021, 2022, 2023, 2024, or 2025.

As noted in the heading of this section, this section of the Notice contains Plaintiff's allegations and contentions. The County disputes Plaintiff's contentions and allegations, denies that the Fire Fee constitutes an illegal tax, does not admit any liability or wrongdoing, and agreed to this settlement solely to avoid the cost and uncertainty of continued litigation.

3. Why is this Lawsuit a class action?

In a class action, one or more people called class representatives or representative plaintiffs sue on behalf of all people who have similar claims. Together, all of these people are called a class and the individuals are called class members. One court resolves the issues for all class members.

4. Why is there a Settlement?

The Court has not decided in favor of Named Plaintiff or Brooks County. Instead, both sides have agreed to a Settlement. By agreeing to the Settlement, the Parties avoid the costs and uncertainty of a trial and related appeals and Class Members receive the benefits described in this Notice. The "Class Representative" appointed to represent the Class and the attorneys for the Class ("Class Counsel", see Question No. 15) think that the Settlement is best for all Class Members. Brooks County denies all liability and wrongdoing and does not admit that the Fire Fees were unlawful. This Settlement is a compromise and does not constitute a judgment against

the County.

Who is in the Settlement?

5. Am I part of the Class?

You are a member of the Class if you are or were an owner of a property in Brooks County and were assessed and paid Fire Fees for 2018, 2019, 2020, 2021, 2022, 2023, 2024 or 2025 (the "Class Period") or if you paid Fire Fees on someone else's behalf during the Class Period.

6. What if I am still not sure if I am included in the Class?

After the Administrator calculates the individual refunds for the Class Members, the Class Members' names who are determined to be entitled to refunds along with the refund each will receive will be posted on the Settlement Webpage on Brooks County's website as described in Question No. 25. You can visit the Settlement Webpage on the Brooks County's website (***FILL IN URL OF SETTLEMENT WEBPAGE)*** where you can search for your name and/or property for which you believe you may be entitled to a refund.

You can also call Class Counsel at (912) 638-5200 to get help.

The Proposed Settlement

7. What are the Settlement Benefits?

If the Settlement is approved by the Court at or after the Fairness Hearing described in Question No. 20, Brooks County has agreed to create an Total Cash Consideration in the amount of $1,000,000.00 (the "Total Cash Consideration").

If the Court finally approves this Settlement and if you are entitled to a refund for Fire Fees paid for any of the years 2018, 2019, 2020, 2021, 2022, 2023, 2024, or 2025 you will receive a refund calculated as explained in Question No. 11.

The money in the Total Cash Consideration will only be distributed if the Court finally approves this Settlement.

8. How do I receive my refund?

Following the Final Approval of the Settlement Agreement settling this Lawsuit (described in Question No. 20), the Administrator will calculate the individual refund amounts. After the Administrator calculates the individual refunds for the Class Members, the Class Members' names along with the refund each will receive will be posted on the Settlement Webpage on Brooks County's website along with information about how a Class Member can object to individual refund amounts. As deemed appropriate by the Court appointed Administrator, updates as to timing of the individual Class Member refund calculation and payment will also be posted on the Settlement Webpage on Brooks County's website.

The Administrator will divide the Class Members into the following categories for purposes of distributing the refunds:

Category 1 Class Members: Class Members still owning the property for which a refund is determined to be owed.

Category 2 Class Members: Class Members who no longer own the property for which a refund is determined to be owed.

Missing Class Members: Class Members who are not listed on the Settlement Webpage but believe they are entitled to a refund based on payment of Fire Fees.

Alternate Class Members: Individuals or entities who paid Fire Fees on behalf of a property owner during the Class Period.

If you are a Category 1 Class Member the refund will be mailed without the need for you to take any action. (See Question No. 14 for more information). If you are a Category 2 Class Member you will be sent a Claim Form at what is believed to be your current mailing address or you can be obtain the Claim Form from the Settlement Webpage on Brooks County's Website. If you receive a Claim Form or are listed as a Category 2 Class Member, you will need to follow the directions on the Claim Form, certifying that you are the same taxpayer for which the refund has been calculated. You will have forty five (45) days to return the Claim Form. (See Question No. 14 for more information).

If you are a Missing Class Member or an Alternate Class Member, you must obtain and submit a Claim Form from the Settlement Webpage on Brooks County's website. The Claim Form will require you to certify that you paid Fire Fees during the Class Period and provide documentation supporting your refund eligibility. You will have forty five (45) days to complete and return the Claim Form. The Administrator will review your submission, and if eligible, your refund will be processed as described in Question No. 14.

9. What if I receive a Claim Form and do not follow the instructions or do not timely return the form?

Certain Class Members are required to submit a Claim Form to receive a refund. These include:

- Category 2 Class Members (Class Members who no longer own the property for which the refund is determined to be owed);
- Missing Class Members (those not listed but who believe they are entitled to a refund); and
- Alternate Class Members (those who paid Fire Fees on behalf of someone else).

. If you fall into one of these categories and fail to follow the instructions on the Claim Form and do not submit it on or before the date provided on the Claim Form you will not receive your refund. Sending in a Claim Form late will be the same as failing to send in the required Claim Form.

10. What if I am not listed on the Settlement Webpage as a Class Member?

As explained in Question No. 8, following the Final Approval of the Settlement Agreement settling this Lawsuit (described in Question No. 20), the Administrator will calculate the individual refund amounts and post the Class Members and the refunds each will receive on the Settlement Webpage on Brooks County's website. There will be a Claim Form on that webpage for any taxpayer not identified as a Class Member by the Administrator ("Missing Class Member") to download, complete and submit according to the directions provided. Additionally, there will be a Claim Form for those who paid Fire Fees but do not own the property for which the Fire Fees were paid who believe they are entitled to receive a refund ("Alternate Class Member") to download, complete and submit according to the directions provided. **IF YOU ARE A MISSING CLASS MEMBER OR ALTERNATE CLASS MEMBER YOU MUST TIMELY COMPLETE AND RETURN THE CLAIM FORM IN ORDER TO BE ELIGIBLE FOR A REFUND.** The Administrator will review the claim and notify the taxpayer of their findings. The taxpayer will have fifteen (15) days to object to the Administrator's findings. Objections will be heard by a Special Master. The Special Master's findings will be final and binding.

11. How are the refunds calculated?

Following Final Approval of the Settlement Agreement, the Administrator is directed to identify the Classes and Class Members and determine the refunds owed.

"Class Member" or "Class Members" means a member or members of the Classes.

The Administrator will identify the Class Members who are entitled to refunds as follows:

The Administrator shall be given full access to the records of and full cooperation by Defendant's departments including, but not limited to, Information Technology, the Board of Assessor's Office and Tax Commissioner's Office in order to identify Class Members, confirm the identity of Class Members, obtain missing information for taxpayers who paid the Fire Fee in order to determine whether they are Class Members and to calculate the individual refunds owed to Class Members.

The resulting calculation shall be the refund to each Class Member (the "Calculated Refund"). It is estimated that the Total Cash Consideration will provide sufficient funding to provide refunds of 20-50% of the Fire Fees paid by each Class Member during the Class Period.

The identification of Class Members entitled to refunds and the amount of the individual refunds due to such Class Members is to be completed within nine (9) months of the entry of the Final Order after the Final Approval Hearing described in Question No. 20.

12. How much will my refund be?

If you are entitled to a refund, your refund will be calculated as explained in Question No. 11. At this time, it is not known how much each individual refund will be. The Administrator will calculate the individual refund amounts after the Final Approval Hearing (see Question No. 20) and after the Court finally approves the Settlement. See Question No. 14 regarding timing of payment.

13. What am I giving up as part of the Settlement?

If the Settlement is finally approved by the Court after the Final Approval Hearing, you will give up your right to sue Brooks County and other persons ("Defendant Releasees") as to all claims arising out of any and all claims for payment of taxes related to or arising out of the assessment of the Fire Fees as alleged in the Lawsuit from 2018 to 2025 whether in law or equity (the "Released Plaintiff and Class Member Claims").

The full text of the Release is set forth in Question No. 26. Additionally, a copy of the Settlement Agreement can be found on the Settlement Webpage on Brooks County's website. *You should carefully read the Release and if you have any questions about the release, you may contact Class Counsel at (912) 638-5200.*

14. When will I get paid?

On _____, the Court will hold a hearing to decide whether to approve the Settlement. If the Court approves the Settlement, the Claims Administrator will begin to verify the individual Class Members who are entitled to refunds and determine the individual amount of the refund to be paid to each Class Member.

The Claims Administrator will endeavor to complete the individual Settlement Class Member refund calculations within nine (9) months of the entry of the Final Order after the Final Approval Hearing described in Question No. 20.

The Total Cash Consideration shall be paid to a Qualified Settlement Fund under Section 468B of the Internal Revenue Code to be identified and established prior to and to be specified in the Final Order (the "Schreck QSF") to carry out the payment of refunds to individual Class Members. The Final Order will appoint an administrator of the Schreck QSF (the "Schreck QSF Administrator").

Within thirty (30) days of the later of the expiration of the period for objecting to individual refund amounts or a final ruling by the Special Master on any individual refund calculation, the Administrator shall identify to the Schreck QSF Administrator the amount of refund due each taxpayer and the address to which the refund is to be mailed the Category 1 Class Members. The Schreck QSF Administrator shall issue refund checks from available funds in the Total Cash Consideration to the Category 1 Class Members within thirty (30) days of receipt of such notice. Within thirty (30) days following the expiration of the period to submit Claims Forms, the

Administrator shall identity to the Schreck QSF Administrator Category 2 Class Members, Missing Class Members, and Alternate Class Members who have properly filled out and returned claim forms, the amount of refund due each taxpayer and the address to which the refund is to be mailed. Refunds for Missing Class Members and Alternate Class Members will be issued on the same timetable as for Category 2 Class Members, subject to confirmation by the Administrator and any final rulings by the Special Master.

Please note that there is often a delay after a Settlement like this is approved. For example, there may be appeals of the Court's Order approving the Settlement. The relief to the Class Members provided for by this Settlement may not be implemented until appeals are finished and the Court's Order finally approving this Settlement is upheld. Because of this there could be a delay in payment of the individual refund amounts as provided for in the Settlement.

Please be patient. Updates as deemed necessary will be posted on the Settlement Webpage on Brooks County's website.

The Lawyers Representing You

15. Do I have a lawyer in this Lawsuit?

Yes. The Court decided that the law firm of Roberts Tate, LLC is qualified to serve as Class Counsel and to represent you and all Class Members.

16. Should I get my own lawyer?

You do not need to hire your own lawyer because Class Counsel is working on your behalf. But if you want your own lawyer, you may hire one at your own cost.

17. How will the lawyers get paid and will there be incentive payments?

Class Counsel has not received any fees for the lawyer and professional time they have devoted to this Lawsuit, nor have they received any reimbursement for any of the out-of-pocket expenses incurred. For work done through the final approval of this Settlement, Class Counsel will apply to the Court for an award of attorneys' fees not to exceed 40% of the Total Cash Consideration plus documented out of pocket expenses incurred from the Total Cash Consideration (the "Fee Petition"). Brooks County takes no position on the Fee Petition, will not oppose the Fee Petition and intends to defer such decision to the judgment and discretion of the Court.

In addition, Class Counsel will ask the Court to award to the Named Plaintiff, Steven Schreck, a class service payment from the Total Cash Consideration in recognition of his efforts on behalf of the Class (the "Class Service Petition"). Named Plaintiff was prepared to appear and testify at trial on behalf of the Class. Brooks County takes no position on the Class Service Petition, will not oppose the Class Service Petition and intends to defer such decision to the judgment and discretion of the Court.

The amounts to be awarded as attorney's fees, expenses and Named Plaintiff's service

award must be approved by the Court. Class Counsel will file the Fee Petition and the Class Service Petition at least twenty (20) days prior to the Final Approval Hearing. You can object to the Fee Petition and the Class Service Petition in compliance with the instruction in Question No. 18.

A copy of the Fee Petition and the Class Service Petition will be posted on the Settlement Webpage on Brooks County's website the same day that it is filed with the Court.

Supporting or Objecting to the Settlement

18. How do I tell the Court that I like or do not like the Settlement?

If you are a Class Member, you can tell the Court that you like the Settlement or you can tell the Court that you do not agree with the Settlement or some part of the Settlement. You can object to the entire Settlement or any part of the Settlement. You can give reasons why you do not think that the Court should approve the Settlement. You can also object to the Fee Petition or the Class Service Petition. You can give reasons for the objection and why you think the Court should not approve the Fee Petition or the Class Service Petition.

In order for the Court to consider your written comments or objections, all objections to the Settlement Agreement settling this Lawsuit or to the Fee Petition or the Class Service Petition must be mailed to the Clerk of Court, Plaintiff's Counsel and Defendant's Counsel. For an objection to be considered by the Court, the objection must be postmarked on or before and sent to the Court, Class Counsel and Counsel for Defendant at the following addresses:

Court	Clerk of the Superior Court of Brooks County 1 Screven Street, Suite 6 Quitman, Georgia 31643
Class Counsel	James L. Roberts, IV, Esquire Roberts Tate, LLC Post Office Box 21828 St. Simons Island, Georgia 31522
Counsel for Defendant	Bradley J. Watkins, Esquire Brown, Readdick, Bumgartner, Carter, Strickland & Watkins Post Office Box 220 Brunswick, Georgia 31521

Additionally, for an objection to be considered by the Court, the objection must also set forth:

a. The name of the Lawsuit;

b. Your full name, address and telephone number;
c. An explanation of the basis upon which you claim to be a Class Member;
d. All grounds for the objection, accompanied by any legal support for the objection known to you or your counsel;
e. The number of times the you have objected to a class action settlement within the five (5) years preceding the date on which you file the objection, the caption of each case in which you have made such objection, and a copy of any orders or opinions to or ruling upon your prior such objections that were issued by any court in each listed case;
f. The identity of all counsel who represented you, including any former or current counsel who may be entitled to any compensation for any reason related to the objection to the Settlement Agreement settling this Lawsuit or to Fee Petition and Class Service Petition;
g. The number of times your counsel and/or counsel's law firm have objected to a class action settlement within the last five (5) years preceding the date you file the objection, the caption of each case in which the counsel or the firm has made such objection, and a copy of any order or opinions related to or ruling upon counsel or the firm's prior such objections that were issued by any court in each listed case;
h. Any and all agreements that relate to the objection or the process of objecting – whether written or verbal – between you or your counsel and any other person or entity;
i. The identity of all counsel representing you who will appear at the Final Approval Hearing;
j. A list of all persons which will be called to testify at the Final Approval Hearing in support of the objection;
k. A statement confirming whether you intend to personally appear and/or testify at the Final Approval Hearing; and
l. Your signature (your attorney's signature is not sufficient).

The filing of an objection may allow Class Counsel or Counsel for Brooks County to notice the objecting party to take his or her deposition at an agreed upon location before the Final Approval Hearing, and to seek any documentary evidence or other tangible things that are relevant to the objection. Failure of the objector to comply with the discovery requests may result in the Court striking the objector's objection and otherwise denying that person the opportunity to make an objection or be further heard. The Court reserves the right to tax the costs of any such discovery to the objector or the objector's counsel should the Court determine that the objection is frivolous or is made for an improper purpose.

Any Class Member who fails to object in the manner set forth above will be deemed to have forever waived his or her objections.

19. Can I call the Court or the Judge's office about my objections?

No. If you have questions, you may visit the Settlement Webpage on Brooks County's website (***INSERT URL OF SETTLEMENT WEBPAGE***) for more information about the settlement. You may also call Class Counsel.

20. When and where will the Court decide to approve the Settlement?

The Court will hold a Final Approval Hearing at ___:00 __.m. on _____ at the Brooks County Courthouse. After the Final Approval Hearing the Court will decide whether to finally certify the Settlement Class and whether to approve the Settlement. The Court may also decide how much to pay Class Counsel and whether to award a class service payment to Named Plaintiff. Additionally, if no objections are filed, the Court may elect to conduct the hearing telephonically or virtually without further notice to the Class. We do not know how long it will take the Court to make its decision.

Important! The time and date of the Final Approval Hearing may change without additional mailed or published notice.

21. Why is there a hearing?

At the Final Approval Hearing the Court will consider whether to finally certify the Settlement Classes and whether the Settlement is fair, reasonable and adequate. If there are objections that were properly submitted (see Question No. 18) the Court will consider them. At its discretion, the Court may listen to people who have properly filed objections (see Question No. 18) and have asked to speak at the hearing.

22. Do I have to come to the hearing?

No. Class Counsel will present the Settlement Agreement settling this Lawsuit to the Court. You or your own lawyer are welcome to attend at your expense, but you are not required to do so. If you make an objection, you do not have to come to Court to talk about it. As long as you mailed or otherwise submitted your written objection according to the instructions (including the deadlines) in Question No. 18, including all of the information required, the Court will consider it.

23. May I speak at the hearing?

You may ask the Court for permission to speak at the Final Approval Hearing. To do so, you must mail or otherwise submit an objection according to the instructions (including the deadlines) in Question No. 18. The Court, in its discretion, may determine which, if any, of the Class Members who properly submitted an objection and requested to be heard at the Final Approval Hearing will be entitled to appear and be heard.

If you wish to present evidence at the Final Approval Hearing you must identify any witnesses you may call to testify and any exhibits you intend to introduce as evidence at the Final Approval Hearing in your written objection (see Question No. 18).

24. Can I exclude myself from the Settlement?

No. You do not have the right to exclude yourself from the Settlement, but you do have the right to object to the Settlement in writing (see Question No. 18).

26. What is the full text of the Release for the Settlement?

A. Released Claims by Named Plaintiff and Class Members

The following is the full text of the Release set forth in the Settlement Agreement. All capitalized terms used in this Section 26 have the same meanings as those defined in the Settlement Agreement:A. Upon the Effective Date, the Schrek Lawsuit and all the Consolidated Claims therein, shall be dismissed with prejudice pursuant to this Settlement, with each party to bear his, her or its own fees, costs, and expenses except as set forth in this Agreement. Notwithstanding such dismissal, the Court shall retain jurisdiction to enforce and administer the Settlement and the Final Approval Order and Judgment.

B. As of the Effective Date and pursuant to the Final Approval Order and Judgment, the Releasing Parties shall be deemed to have fully, finally, and completely released the Released Parties from the Released Claims.

C. The Parties acknowledge that it is possible that unknown losses or claims exist or might exist or that present losses may have been underestimated in amount. As of the Effective Date and pursuant to the Final Approval Order and Judgment, the Releasing Parties are deemed to finally, fully, and forever expressly waive and relinquish any and all provisions, rights, and benefits with respect to the released Claims.

D. The Releasing Parties are also deemed to acknowledge and understand that they may

later discover claims presently unknown or unsuspected, or facts in addition to or different from those which they now believe to be true with respect to the matters released herein and hereby. Nevertheless, it is the intention of the Releasing Parties to fully, finally, and forever settle and release the Released Claims with the Released Parties that exist hereafter may exist or might have existed.

E. This Agreement, upon the Effective Date is intended to and shall fully and finally release the Releasing Parties' Released Claims. Each Releasing Party hereby (1) releases the Released Parties from the Released Claims and (2) covenants and agrees that he, she, or it shall not sue or otherwise seek to establish or impose liability against any Released Party based, in whole or in part, on any of the Released Claims. Released Parties do not agree or admit, and nothing in this Agreement establishes, implies, or can be used to suggest, that Plaintiff, the Releasing Parties, or any other persons or entities have any valid claims against the Released Parties.

F. The Releasing Parties covenant that, after the Effective Date of this Agreement, they shall not seek to recover against any of the Released Parties for any of the Released Claims. This covenant applies to all Releasing Parties, even if a Releasing Party does not receive any Cash Consideration because, among other things, he/she/it did not properly complete or timely submit the Claims Form, or for any other reason.

B. Effect of Failure to Grant Final Approval

In the event that the Court fails to enter an Order granting Final Approval to this Settlement Agreement, the Lawsuit shall resume, this Settlement Agreement and any Order granted pursuant to this Settlement Agreement, including but not limited to the Preliminary Approval Order shall have no res judicata or collateral estoppel effect and shall be of no force or effect, and the Parties' rights and defenses shall be restored without prejudice as if this Settlement Agreement had never been entered into unless either: (1) Named Plaintiff and Defendant agree in writing to a modification of the Settlement Agreement and obtain approval of the Amended Settlement Agreement with such agreed to modification, or (2) Named Plaintiff and Defendant successfully obtain reversal of the decision denying entry of the Order granting Final Approval to this Settlement Agreement after reconsideration or appellate review. In the event that the Court fails to enter an Order granting Final Approval of this Settlement Agreement, the terms of this Settlement Agreement shall not be admissible for any purposes in this action or any other action against County's regarding Fire Fees.

C. Continuing Jurisdiction

The Court shall retain jurisdiction over the interpretation and implementation of this Settlement Agreement, as well as any matters arising out of, or related to, the interpretation or implementation of this Settlement Agreement.

PRELIMINARY APPROVAL ORDER

WHEREAS, Plaintiff Steven Schreck (the "Named Plaintiff"), individually and on behalf of all persons similarly situated and Defendant Brooks County (the "County" or the "Defendant") have agreed to a settlement of the above referenced matter (the "Lawsuit"); and

WHEREAS, this matter is before the Court on the Joint Motion and Supporting Memorandum of Law for Preliminary Approval of Class Action Settlement, Preliminary Certification of Settlement Class, Approval of Notice Program and to Schedule of Final Approval Hearing (the "Joint Motion") pursuant to O.C.G.A. § 9-11-23(e) in which the Court has been asked (1) to give preliminary approval to the proposed Settlement Agreement (the "Settlement Agreement") entered into by Named Plaintiff and Defendant, through counsel, which, together with any exhibits thereto, sets forth the terms and conditions of the proposed resolution of this Lawsuit, and to authorize certain activities pursuant to the Settlement Agreement and O.C.G.A. § 9-11-23 and (2) to provisionally certify the settlement Class;

WHEREAS, the Court having considered the entire record of this Lawsuit, including the filing in support of preliminary approval, the Settlement Agreement and any exhibits thereto, and the arguments and representations of counsel, and good cause appearing in the record,

IT IS ORDERED AND ADJUDGED as follows:

1. The Court has jurisdiction over the subject matter and parties.

2. Unless otherwise specified herein, all capitalized terms used in this Order shall have the meanings ascribed to them in the Settlement Agreement, which is incorporated herein by reference.

3. Venue is proper.

Provisional Class Certification
And
Appointment of Class Representative and Class Counsel

4. In deciding whether to provisionally certify a settlement, a court must consider the same factors that it would consider in connection with a proposed litigation class – i.e., all O.C.G.A. §9-11-23(a) factors and at least one of the requirements under O.C.G.A. §9-11-23(b) must be satisfied – except that the court need not consider the manageability of a potential trial, since the settlement if approved, would obviate the need for a trial. See Amchem Products, Inc. v. Windsor, 521 U.S. 591, 620 (1997).

5. The Court finds, for settlement purposes only, that the O.C.G.A. §9-11-23 factors are present and thus certification of the proposed settlement class is appropriate. The Court, therefore, provisionally certifies the Settlement Class, which consists of all individuals or entities who paid Fire Fees during the Settlement Class Period, as defined in the Settlement Agreement. The Settlement Class includes Category 1 Class Members,

Category 2 Class Members, Missing Class Members, and Alternate Class Members, as those terms are defined in the Settlement Agreement.

6. The Court specifically determines that, for settlement purposes, the proposed Settlement Class meets all the requirements of O.C.G.A. §9-11-23(a) and O.C.G.A. §9-11-23(b)(1), and O.C.G.A. §9-11-23(b)(2) namely that the Settlement Class is so numerous that joinder of all members is impractical; that there are common issues of law and fact; that the claims of the class representative are typical of absent class members; that the class representative will fairly and adequately protect the interests of the Settlement Class, as they have no interests antagonistic to or in conflict with the Settlement Class and have retained experienced and competent counsel to prosecute this Lawsuit; that the prosecution of separate actions by or against individual class members would create a risk of inconsistent or varying adjudications with respect to individual class members which would establish incompatible standards of conduct for the party opposing the class or adjudications with respect to individual class members which would as a practical matter be dispositive of the interests of the other members not parties to the adjudications or substantially impair or impede their ability to protect their interests; that Defendant opposing class members has acted or refused to act on grounds generally applicable to each class member, thereby making appropriate final injunctive relief or corresponding declaratory relief with respect to members of the Class.[1]

[1] Additionally, while the Court has elected to only certify the Class under O.C.G.A. § 9-11-23(b)(1) and O.C.G.A. § 9-11-23(b)(2), the Court also expressly finds that: (1) certification under O.C.G.A. § 9-11-23(b)(3) would be appropriate as the questions of law or fact common to the members of the class predominate over questions affecting only individual members, satisfying the requirements of O.C.G.A. § 9-11-23(b)(3) and (2) a class action is superior to other methods available for the fair and efficient adjudication of this controversy satisfying the requirements of O.C.G.A. § 9-11-23(b)(3).

7. The Court appoints Named Plaintiff Steven Schreck as class representative.

8. The Court appoints Roberts Tate, LLC as Class Counsel. The Court finds that Class Counsel is experienced and will adequately protect the interests of the Settlement Class.

9. The Court appoints Terry D. Turner, Jr. of Gentle Turner & Benson, LLC, 501 Riverchase Parkway East, Suite 100, Hoover, Alabama 35244 as Claims Administrator to complete the Notice Program set forth herein.

Preliminary Approval of the Settlement

10. The Court does hereby preliminarily approve the Settlement Agreement finding it to be fair, reasonable and adequate, subject to further consideration at the Final Approval Hearing described below.

11. The Settlement Agreement includes a sufficient release of claims by the Releasing Parties against the Released Parties. The Settlement Agreement establishes a process for the identification of Settlement Class Members and the calculation of individual refunds and a methodology for the refund payment process. The Court preliminarily approves the process for the identification of Settlement Class Members and the calculation of individual refunds set forth in the Settlement Agreement. The Court also preliminarily approves the methodology for the refund payment process set forth in the Settlement Agreement.

Final Approval Hearing

12. The Court directs that a final approval hearing (the "Final Approval Hearing") be held in the Brooks County Courthouse at _____ on _____ to rule: (i) whether the proposed Settlement Class should be finally

certified for settlement purposes pursuant to O.C.G.A. §9-11-23(e); (ii) whether the Settlement set forth in the Settlement Agreement should be finally approved as fair, reasonable, adequate and in the best interest of the Settlement Class; (iii) whether the Settlement Agreement should be entered dismissing the Lawsuit against Defendant; (iv) whether Class Counsel's application for attorney's fees and expenses (the "Fee Petition") should be approved; (v) whether Class Representative's Service Award should be approved (the "Class Service Petition"); and (vi) on such other matters as may be appropriate in the implementation of this Settlement. The Court may adjourn the Final Approval Hearing or modify any of the dates set forth herein without further notice to the Class. Additionally, in the event that no objections are filed, the Court may elect to conduct the hearing telephonically or virtually

13. All papers of the Parties in support or opposition of the final approval of the Settlement Agreement shall be filed with the Court and served by overnight mail or hand delivery on or before seven (7) days before the Final Approval Hearing.

Approval of Notice and Notice Program

14. The Court orders that the notice of the Settlement Agreement and notice of the Final Approval Hearing be given, in the name of the Clerk of the Court, to the class members as follows (collectively referred to as the "Notice Program"):

a. The Administrator shall cause to be mailed by first class mail, within thirty (30) days of entry of this Order, to all Settlement Class Members to their last known addresses as appearing on the records maintained by the County, a copy of the notice (the "Full Notice") substantially in the form attached hereto as Exhibit "A";

b. The Administrator will within fifteen (15) days of entry of this Order post all Exhibits to this Motion together with copies of the Complaint, Second Amended Complaint, Third Amended Complaint and Preliminary Approval Order, this Agreement, and additional claim instructions and information on a single-purpose website dedicated to use by the Settlement Class (the "Settlement Website"). The URL to the Settlement Webpage will be included in the Full Notice to each Settlement Class Members as well as in the Publication Notice in The Quitman Free Press; and

c. The Administrator shall cause, as soon as practicable after entry of this Order, a notice to be placed in The Quitman Free Press (the "Publication Notice") substantially in the form attached hereto as Exhibit "B".

15. The Court approves the form and content of the Full Notice and the Publication Notice and the Notice Program, and finds:

a. The mailing and website posting of the Full Notice and the publication of the Publication Notice in the manner set forth in the Notice Program set forth in Paragraph 12 above: (i) constitutes the best notice practicable under the circumstances; (ii) is reasonably calculated, under the circumstances, to apprise the Settlement Class Members of the Settlement Agreement resolving this Lawsuit, the effect of the Settlement Agreement (including the claims released), the right to object to any aspect of the Settlement Agreement or the Fee Petition or the Class Service Petition and the right to appear at the Final Approval Hearing;

b. Constitutes due, adequate and sufficient notice to all persons entitled to receive notice of the Settlement Agreement; and

Basic Information

1. What is the purpose of this Notice?

The purpose of this Notice is to inform you of (a) the existence of a class action lawsuit; and (b) the proposed settlement agreement (the "Settlement Agreement") which settles the lawsuit (the "Settlement"). The Court authorized this Notice because you have a right to know about the Settlement Agreement which settles this class action lawsuit before the Court decides whether to give "final approval" to the Settlement. This Notice explains the nature of the lawsuit that is subject of the Settlement and your legal rights and options.

The class action lawsuit is pending in the Superior Court of Brooks County, Georgia, known as *Steven Schreck v. Brooks County, Georgia* (the "Lawsuit").

2. The Plaintiff's allegations and contentions in this Lawsuit.

This Lawsuit alleges that Defendant Brooks County (the "Defendant" or the "County") levied and collected an illegal tax in the form of Fire Fees from 2018 to 2025.

The Plaintiff further contends the following:

The Fire Fee is based on the payer's ability to pay. That is, the payer's ownership of real property.

The Fire Fee is mandatory for all property owners in the County. The mandatory nature of the Fire Fee is evidenced by the fact that it is included on all tax bills.

The Fire Fee is a mechanism the County is using to raise general revenue for fire protection services rather than a charge for a particular service. According to the Brooks County Ordinance Regulating the Assessment of Fees for the Fire Protection Service in Brook County (the "Fire Fee Ordinance"), the Fire Fee "will allow for the hiring of personnel, purchase of fire suppression equipment, the distribution of the water and the provision of hydrants…; to provide funds necessary for the maintenance of the Fire Protection System; [and] to provide funds for the enforcement of" the Fire Fee Ordinance. This is evidence that the Fire Fee is a tax.

The Fire Fee is assessed by the County without regard to direct benefits that may inure to the Subject Property or to Named Plaintiff or to the prospective class members or to the properties of the prospective class members.

The Fire Fee is not assessed in a manner whereby the payment is based upon the Subject Property's contribution or the contribution of the prospective class member's property to the problem. That is, a property owner may pay the Fire Fee year after year and never utilize the fire protection services.

The payer of the Fire Fee receives no particularized or enhanced service different from the nonpayer despite having paid the Fire Fee. The fire protection services funded through the payment of the Fire Fee benefit the general public in precisely the same manner that the services benefit the payer of the Fire Fee.

The Fire Fee is not calculated in a manner whereby Named Plaintiff or the prospective class members are reasonably paying for services rendered or to be rendered.

Therefore, Named Plaintiff contends that the Fire Fee is an illegal tax to fund core governmental functions, i.e., fire fighting services and firefighting operations. Defendant Brooks County denies that such Fire Fees constitute unlawful taxes.

Under the Georgia Constitution and Georgia law, taxation of property is required to be ad valorem. That is, property must be assessed based upon the value of the property not based upon a rate for the square footage of all Structures with a minimum and maximum amount charged based on the type of Structure. See Hutchins, et la. v. Howard, et al., 211 Ga. 830, 89 S.E. 2d 183, 186 (1955) ("Taxation on all real and tangible personal property subject to be taxed is required to be ad valorem – that is, according to value, and the requirement in the Constitution that the rule of taxation shall be uniform, means that all kinds of property of the same class not absolutely exempt must be taxed alike, by the same standard of valuation, equally with other taxable property of the same class, and coextensively with the territory to which it applies; meaning the territory from which the given tax, as a whole, is to be drawn.").

Rather than assessing the Fire Fee based on the value of property, the County assesses the Fire Fee in the form of a flat fee. Therefore, the Fire Fee is an illegal tax not authorized by the Georgia Constitution or by Georgia law and Named Plaintiff and the prospective class members are entitled to refunds for the illegally assessed and collected taxes under O.C.G.A. § 48-5-380 (the "Refund Statute").

Named Plaintiff filed this Lawsuit on behalf of itself and all taxpayers similarly situated who own or owned parcels in Brooks County and were assessed and paid Fire Fees for 2018, 2019, 2020, 2021, 2022, 2023, 2024, or 2025.

As noted in the heading of this section, this section of the Notice contains Plaintiff's allegations and contentions. The County disputes Plaintiff's contentions and allegations, denies that the Fire Fee constitutes an illegal tax, does not admit any liability or wrongdoing, and agreed to this settlement solely to avoid the cost and uncertainty of continued litigation.

3. Why is this Lawsuit a class action?

In a class action, one or more people called class representatives or representative plaintiffs sue on behalf of all people who have similar claims. Together, all of these people are called a class and the individuals are called class members. One court resolves the issues for all class members.

4. Why is there a Settlement?

The Court has not decided in favor of Named Plaintiff or Brooks County. Instead, both sides have agreed to a Settlement. By agreeing to the Settlement, the Parties avoid the costs and uncertainty of a trial and related appeals and Class Members receive the benefits described in this Notice. The "Class Representative" appointed to represent the Class and the attorneys for the Class ("Class Counsel", see Question No. 15) think that the Settlement is best for all Class Members. Brooks County denies all liability and wrongdoing and does not admit that the Fire Fees were unlawful. This Settlement is a compromise and does not constitute a judgment against

the County.

Who is in the Settlement?

5. Am I part of the Class?

You are a member of the Class if you are or were an owner of a property in Brooks County and were assessed and paid Fire Fees for 2018, 2019, 2020, 2021, 2022, 2023, 2024 or 2025 (the "Class Period") or if you paid Fire Fees on someone else's behalf during the Class Period.

6. What if I am still not sure if I am included in the Class?

After the Administrator calculates the individual refunds for the Class Members, the Class Members' names who are determined to be entitled to refunds along with the refund each will receive will be posted on the Settlement Webpage on Brooks County's website as described in Question No. 25. You can visit the Settlement Webpage on the Brooks County's website (***FILL IN URL OF SETTLEMENT WEBPAGE)*** where you can search for your name and/or property for which you believe you may be entitled to a refund.

You can also call Class Counsel at (912) 638-5200 to get help.

The Proposed Settlement

7. What are the Settlement Benefits?

If the Settlement is approved by the Court at or after the Fairness Hearing described in Question No. 20, Brooks County has agreed to create an Total Cash Consideration in the amount of
$1,000,000.00 (the "Total Cash Consideration").

If the Court finally approves this Settlement and if you are entitled to a refund for Fire Fees paid for any of the years 2018, 2019, 2020, 2021, 2022, 2023, 2024, or 2025 you will receive a refund calculated as explained in Question No. 11.

The money in the Total Cash Consideration will only be distributed if the Court finally approves this Settlement.

8. How do I receive my refund?

Following the Final Approval of the Settlement Agreement settling this Lawsuit (described in Question No. 20), the Administrator will calculate the individual refund amounts. After the Administrator calculates the individual refunds for the Class Members, the Class Members' names along with the refund each will receive will be posted on the Settlement Webpage on Brooks County's website along with information about how a Class Member can object to individual refund amounts. As deemed appropriate by the Court appointed Administrator, updates as to timing of the individual Class Member refund calculation and payment will also be posted on the Settlement Webpage on Brooks County's website.

The Administrator will divide the Class Members into the following categories for purposes of distributing the refunds:

Category 1 Class Members: Class Members still owning the property for which a refund is determined to be owed.

Category 2 Class Members: Class Members who no longer own the property for which a refund is determined to be owed.

Missing Class Members: Class Members who are not listed on the Settlement Webpage but believe they are entitled to a refund based on payment of Fire Fees.

Alternate Class Members: Individuals or entities who paid Fire Fees on behalf of a property owner during the Class Period.

If you are a Category 1 Class Member the refund will be mailed without the need for you to take any action. (See Question No. 14 for more information). If you are a Category 2 Class Member you will be sent a Claim Form at what is believed to be your current mailing address or you can be obtain the Claim Form from the Settlement Webpage on Brooks County's Website. If you receive a Claim Form or are listed as a Category 2 Class Member, you will need to follow the directions on the Claim Form, certifying that you are the same taxpayer for which the refund has been calculated. You will have forty five (45) days to return the Claim Form. (See Question No. 14 for more information).

If you are a Missing Class Member or an Alternate Class Member, you must obtain and submit a Claim Form from the Settlement Webpage on Brooks County's website. The Claim Form will require you to certify that you paid Fire Fees during the Class Period and provide documentation supporting your refund eligibility. You will have forty five (45) days to complete and return the Claim Form. The Administrator will review your submission, and if eligible, your refund will be processed as described in Question No. 14.

9. What if I receive a Claim Form and do not follow the instructions or do not timely return the form?

Certain Class Members are required to submit a Claim Form to receive a refund. These include:

- Category 2 Class Members (Class Members who no longer own the property for which the refund is determined to be owed);
- Missing Class Members (those not listed but who believe they are entitled to a refund); and
- Alternate Class Members (those who paid Fire Fees on behalf of someone else).

. If you fall into one of these categories and fail to follow the instructions on the Claim Form and do not submit it on or before the date provided on the Claim Form you will not receive your refund. Sending in a Claim Form late will be the same as failing to send in the required Claim Form.

10. What if I am not listed on the Settlement Webpage as a Class Member?

As explained in Question No. 8, following the Final Approval of the Settlement Agreement settling this Lawsuit (described in Question No. 20), the Administrator will calculate the individual refund amounts and post the Class Members and the refunds each will receive on the Settlement Webpage on Brooks County's website. There will be a Claim Form on that webpage for any taxpayer not identified as a Class Member by the Administrator ("Missing Class Member") to download, complete and submit according to the directions provided. Additionally, there will be a Claim Form for those who paid Fire Fees but do not own the property for which the Fire Fees were paid who believe they are entitled to receive a refund ("Alternate Class Member") to download, complete and submit according to the directions provided. **IF YOU ARE A MISSING CLASS MEMBER OR ALTERNATE CLASS MEMBER YOU MUST TIMELY COMPLETE AND RETURN THE CLAIM FORM IN ORDER TO BE ELIGIBLE FOR A REFUND.** The Administrator will review the claim and notify the taxpayer of their findings. The taxpayer will have fifteen (15) days to object to the Administrator's findings. Objections will be heard by a Special Master. The Special Master's findings will be final and binding.

11. How are the refunds calculated?

Following Final Approval of the Settlement Agreement, the Administrator is directed to identify the Classes and Class Members and determine the refunds owed.

"Class Member" or "Class Members" means a member or members of the Classes.

The Administrator will identify the Class Members who are entitled to refunds as follows:

The Administrator shall be given full access to the records of and full cooperation by Defendant's departments including, but not limited to, Information Technology, the Board of Assessor's Office and Tax Commissioner's Office in order to identify Class Members, confirm the identity of Class Members, obtain missing information for taxpayers who paid the Fire Fee in order to determine whether they are Class Members and to calculate the individual refunds owed to Class Members.

The resulting calculation shall be the refund to each Class Member (the "Calculated Refund"). It is estimated that the Total Cash Consideration will provide sufficient funding to provide refunds of 20-50% of the Fire Fees paid by each Class Member during the Class Period.

The identification of Class Members entitled to refunds and the amount of the individual refunds due to such Class Members is to be completed within nine (9) months of the entry of the Final Order after the Final Approval Hearing described in Question No. 20.

12. How much will my refund be?

If you are entitled to a refund, your refund will be calculated as explained in Question No. 11. At this time, it is not known how much each individual refund will be. The Administrator will calculate the individual refund amounts after the Final Approval Hearing (see Question No. 20) and after the Court finally approves the Settlement. See Question No. 14 regarding timing of payment.

13. What am I giving up as part of the Settlement?

If the Settlement is finally approved by the Court after the Final Approval Hearing, you will give up your right to sue Brooks County and other persons ("Defendant Releasees") as to all claims arising out of any and all claims for payment of taxes related to or arising out of the assessment of the Fire Fees as alleged in the Lawsuit from 2018 to 2025 whether in law or equity (the "Released Plaintiff and Class Member Claims").

The full text of the Release is set forth in Question No. 26. Additionally, a copy of the Settlement Agreement can be found on the Settlement Webpage on Brooks County's website. *You should carefully read the Release and if you have any questions about the release, you may contact Class Counsel at (912) 638-5200.*

14. When will I get paid?

On _____, the Court will hold a hearing to decide whether to approve the Settlement. If the Court approves the Settlement, the Claims Administrator will begin to verify the individual Class Members who are entitled to refunds and determine the individual amount of the refund to be paid to each Class Member.

The Claims Administrator will endeavor to complete the individual Settlement Class Member refund calculations within nine (9) months of the entry of the Final Order after the Final Approval Hearing described in Question No. 20.

The Total Cash Consideration shall be paid to a Qualified Settlement Fund under Section 468B of the Internal Revenue Code to be identified and established prior to and to be specified in the Final Order (the "Schreck QSF") to carry out the payment of refunds to individual Class Members. The Final Order will appoint an administrator of the Schreck QSF (the "Schreck QSF Administrator").

Within thirty (30) days of the later of the expiration of the period for objecting to individual refund amounts or a final ruling by the Special Master on any individual refund calculation, the Administrator shall identify to the Schreck QSF Administrator the amount of refund due each taxpayer and the address to which the refund is to be mailed the Category 1 Class Members. The Schreck QSF Administrator shall issue refund checks from available funds in the Total Cash Consideration to the Category 1 Class Members within thirty (30) days of receipt of such notice. Within thirty (30) days following the expiration of the period to submit Claims Forms, the

Administrator shall identity to the Schreck QSF Administrator Category 2 Class Members, Missing Class Members, and Alternate Class Members who have properly filled out and returned claim forms, the amount of refund due each taxpayer and the address to which the refund is to be mailed. Refunds for Missing Class Members and Alternate Class Members will be issued on the same timetable as for Category 2 Class Members, subject to confirmation by the Administrator and any final rulings by the Special Master.

Please note that there is often a delay after a Settlement like this is approved. For example, there may be appeals of the Court's Order approving the Settlement. The relief to the Class Members provided for by this Settlement may not be implemented until appeals are finished and the Court's Order finally approving this Settlement is upheld. Because of this there could be a delay in payment of the individual refund amounts as provided for in the Settlement.

Please be patient. Updates as deemed necessary will be posted on the Settlement Webpage on Brooks County's website.

The Lawyers Representing You

15. Do I have a lawyer in this Lawsuit?

Yes. The Court decided that the law firm of Roberts Tate, LLC is qualified to serve as Class Counsel and to represent you and all Class Members.

16. Should I get my own lawyer?

You do not need to hire your own lawyer because Class Counsel is working on your behalf. But if you want your own lawyer, you may hire one at your own cost.

17. How will the lawyers get paid and will there be incentive payments?

Class Counsel has not received any fees for the lawyer and professional time they have devoted to this Lawsuit, nor have they received any reimbursement for any of the out-of-pocket expenses incurred. For work done through the final approval of this Settlement, Class Counsel will apply to the Court for an award of attorneys' fees not to exceed 40% of the Total Cash Consideration plus documented out of pocket expenses incurred from the Total Cash Consideration (the "Fee Petition"). Brooks County takes no position on the Fee Petition, will not oppose the Fee Petition and intends to defer such decision to the judgment and discretion of the Court.

In addition, Class Counsel will ask the Court to award to the Named Plaintiff, Steven Schreck, a class service payment from the Total Cash Consideration in recognition of his efforts on behalf of the Class (the "Class Service Petition"). Named Plaintiff was prepared to appear and testify at trial on behalf of the Class. Brooks County takes no position on the Class Service Petition, will not oppose the Class Service Petition and intends to defer such decision to the judgment and discretion of the Court.

The amounts to be awarded as attorney's fees, expenses and Named Plaintiff's service

award must be approved by the Court. Class Counsel will file the Fee Petition and the Class Service Petition at least twenty (20) days prior to the Final Approval Hearing. You can object to the Fee Petition and the Class Service Petition in compliance with the instruction in Question No. 18.

A copy of the Fee Petition and the Class Service Petition will be posted on the Settlement Webpage on Brooks County's website the same day that it is filed with the Court.

Supporting or Objecting to the Settlement

18. How do I tell the Court that I like or do not like the Settlement?

If you are a Class Member, you can tell the Court that you like the Settlement or you can tell the Court that you do not agree with the Settlement or some part of the Settlement. You can object to the entire Settlement or any part of the Settlement. You can give reasons why you do not think that the Court should approve the Settlement. You can also object to the Fee Petition or the Class Service Petition. You can give reasons for the objection and why you think the Court should not approve the Fee Petition or the Class Service Petition.

In order for the Court to consider your written comments or objections, all objections to the Settlement Agreement settling this Lawsuit or to the Fee Petition or the Class Service Petition must be mailed to the Clerk of Court, Plaintiff's Counsel and Defendant's Counsel. For an objection to be considered by the Court, the objection must be postmarked on or before and sent to the Court, Class Counsel and Counsel for Defendant at the following addresses:

Court	Clerk of the Superior Court of Brooks County 1 Screven Street, Suite 6 Quitman, Georgia 31643

Counsel for Defendant	Bradley J. Watkins, Esquire Brown, Readdick, Bumgartner, Carter, Strickland & Watkins Post Office Box 220 Brunswick, Georgia 31521

Additionally, for an objection to be considered by the Court, the objection must also set forth:

a. The name of the Lawsuit;

b. Your full name, address and telephone number;

f. The identity of all counsel who represented you, including any former or current counsel who may be entitled to any compensation for any reason related to the objection to the Settlement Agreement settling this Lawsuit or to Fee Petition and Class Service Petition;
g. The number of times your counsel and/or counsel's law firm have objected to a class action settlement within the last five (5) years preceding the date you file the objection, the caption of each case in which the counsel or the firm has made such objection, and a copy of any order or opinions related to or ruling upon counsel or the firm's prior such objections that were issued by any court in each listed case;
h. Any and all agreements that relate to the objection or the process of objecting – whether written or verbal – between you or your counsel and any other person or entity;
i. The identity of all counsel representing you who will appear at the Final Approval Hearing;
j. A list of all persons which will be called to testify at the Final Approval Hearing in support of the objection;
k. A statement confirming whether you intend to personally appear and/or testify at the Final Approval Hearing; and
l. Your signature (your attorney's signature is not sufficient).

The filing of an objection may allow Class Counsel or Counsel for Brooks County to notice the objecting party to take his or her deposition at an agreed upon location before the Final Approval Hearing, and to seek any documentary evidence or other tangible things that are relevant to the objection. Failure of the objector to comply with the discovery requests may result in the Court striking the objector's objection and otherwise denying that person the opportunity to make an objection or be further heard. The Court reserves the right to tax the costs of any such discovery to the objector or the objector's counsel should the Court determine that the objection is frivolous or is made for an improper purpose.

Any Class Member who fails to object in the manner set forth above will be deemed to have forever waived his or her objections.

19. Can I call the Court or the Judge's office about my objections?

No. If you have questions, you may visit the Settlement Webpage on Brooks County's website (***INSERT URL OF SETTLEMENT WEBPAGE***) for more information about the settlement. You may also call Class Counsel.

20. When and where will the Court decide to approve the Settlement?

The Court will hold a Final Approval Hearing at ___:00 __.m. on _____ at the Brooks County Courthouse. After the Final Approval Hearing the Court will decide whether to finally certify the Settlement Class and whether to approve the Settlement. The Court may also decide how much to pay Class Counsel and whether to award a class service payment to Named Plaintiff. Additionally, if no objections are filed, the Court may elect to conduct the hearing telephonically or virtually without further notice to the Class. We do not know how long it will take the Court to make its decision.

Important! The time and date of the Final Approval Hearing may change without additional mailed or published notice.

21. Why is there a hearing?

At the Final Approval Hearing the Court will consider whether to finally certify the Settlement Classes and whether the Settlement is fair, reasonable and adequate. If there are objections that were properly submitted (see Question No. 18) the Court will consider them. At its discretion, the Court may listen to people who have properly filed objections (see Question No. 18) and have asked to speak at the hearing.

22. Do I have to come to the hearing?

No. Class Counsel will present the Settlement Agreement settling this Lawsuit to the Court. You or your own lawyer are welcome to attend at your expense, but you are not required to do so. If you make an objection, you do not have to come to Court to talk about it. As long as you mailed or otherwise submitted your written objection according to the instructions (including the deadlines) in Question No. 18, including all of the information required, the Court will consider it.

23. May I speak at the hearing?

You may ask the Court for permission to speak at the Final Approval Hearing. To do so, you must mail or otherwise submit an objection according to the instructions (including the deadlines) in Question No. 18. The Court, in its discretion, may determine which, if any, of the Class Members who properly submitted an objection and requested to be heard at the Final Approval Hearing will be entitled to appear and be heard.

If you wish to present evidence at the Final Approval Hearing you must identify any witnesses you may call to testify and any exhibits you intend to introduce as evidence at the Final Approval Hearing in your written objection (see Question No. 18).

24. Can I exclude myself from the Settlement?

No. You do not have the right to exclude yourself from the Settlement, but you do have the right to object to the Settlement in writing (see Question No. 18).

Full Text of the Settlement

26. What is the full text of the Release for the Settlement?

A. Released Claims by Named Plaintiff and Class Members

The following is the full text of the Release set forth in the Settlement Agreement. All capitalized terms used in this Section 26 have the same meanings as those defined in the Settlement Agreement:A. Upon the Effective Date, the Schrek Lawsuit and all the Consolidated Claims therein, shall be dismissed with prejudice pursuant to this Settlement, with each party to bear his, her or its own fees, costs, and expenses except as set forth in this Agreement. Notwithstanding such dismissal, the Court shall retain jurisdiction to enforce and administer the Settlement and the Final Approval Order and Judgment.

B. As of the Effective Date and pursuant to the Final Approval Order and Judgment, the Releasing Parties shall be deemed to have fully, finally, and completely released the Released Parties from the Released Claims.

C. The Parties acknowledge that it is possible that unknown losses or claims exist or might exist or that present losses may have been underestimated in amount. As of the Effective Date and pursuant to the Final Approval Order and Judgment, the Releasing Parties are deemed to finally, fully, and forever expressly waive and relinquish any and all provisions, rights, and benefits with respect to the released Claims.

D. The Releasing Parties are also deemed to acknowledge and understand that they may

later discover claims presently unknown or unsuspected, or facts in addition to or different from those which they now believe to be true with respect to the matters released herein and hereby. Nevertheless, it is the intention of the Releasing Parties to fully, finally, and forever settle and release the Released Claims with the Released Parties that exist hereafter may exist or might have existed.

E. This Agreement, upon the Effective Date is intended to and shall fully and finally release the Releasing Parties' Released Claims. Each Releasing Party hereby (1) releases the Released Parties from the Released Claims and (2) covenants and agrees that he, she, or it shall not sue or otherwise seek to establish or impose liability against any Released Party based, in whole or in part, on any of the Released Claims. Released Parties do not agree or admit, and nothing in this Agreement establishes, implies, or can be used to suggest, that Plaintiff, the Releasing Parties, or any other persons or entities have any valid claims against the Released Parties.

F. The Releasing Parties covenant that, after the Effective Date of this Agreement, they shall not seek to recover against any of the Released Parties for any of the Released Claims. This covenant applies to all Releasing Parties, even if a Releasing Party does not receive any Cash Consideration because, among other things, he/she/it did not properly complete or timely submit the Claims Form, or for any other reason.

B. Effect of Failure to Grant Final Approval

In the event that the Court fails to enter an Order granting Final Approval to this Settlement Agreement, the Lawsuit shall resume, this Settlement Agreement and any Order granted pursuant to this Settlement Agreement, including but not limited to the Preliminary Approval Order shall have no res judicata or collateral estoppel effect and shall be of no force or effect, and the Parties' rights and defenses shall be restored without prejudice as if this Settlement Agreement had never been entered into unless either: (1) Named Plaintiff and Defendant agree in writing to a modification of the Settlement Agreement and obtain approval of the Amended Settlement Agreement with such agreed to modification, or (2) Named Plaintiff and Defendant successfully obtain reversal of the decision denying entry of the Order granting Final Approval to this Settlement Agreement after reconsideration or appellate review. In the event that the Court fails to enter an Order granting Final Approval of this Settlement Agreement, the terms of this Settlement Agreement shall not be admissible for any purposes in this action or any other action against County's regarding Fire Fees.

C. Continuing Jurisdiction

The Court shall retain jurisdiction over the interpretation and implementation of this Settlement Agreement, as well as any matters arising out of, or related to, the interpretation or implementation of this Settlement Agreement.
